

# Blanchard tips his hat in season opener

# New challenge comes to Taylor in Europe

Milton's bantam lacrosse team delivered a robust two-way performance in their season opener Monday, spanking Elora 8-2.

Bobby Lee Beaulieu was rock solid between the pipes while his Trader Custom Brokers sponsored teammates broke things open with a five goals in the second period.

Leading the hit parade with a hat-trick was Derek Blanchard and Matt Decaire tallied twice.

Adding singles were Mark Galick, Kyle Goertz and Adam Rutz.

### Late drive

On the strength of a fierce finish, the peewee Mavericks beat Arthur 7-4 Monday in season opening play.

Milton upstaged their hosts 5-2 in the third period to seal the deal. Their defence and discipline was in check the entire evening.

Matt Chuchmach was the top marksman with three goals. Also scoring were Andy Care, Robbie Hunt, Chris Pedulla and Matt Lenardon — who also drew a pair of assists.

Guarding the cage was Chris Banks.

### Fell short

Milton's Koski Glass novice lacrosse team surrendered two late goals to Arthur Monday and lost their season opener 7-6.

The winning tally was scored on a powerplay, not long after the Mavericks had gained the lead. The game was a seesaw affair the entire way, with neither side holding more than a two-goal advantage at any given time.

David Majka scored twice while singles were contributed by Bradley Hoy, Ryan Lecky, Brad Mazzocato and Scott Stover. Backstopping the locals was Matt Clark.

# Hockey players wanted

The Golden Horseshoe Hockey League, now in its 15th year, is currently taking applications for minor and men's summer programs.

Both individual and team entries will be accepted. All games are played at Burlington's Mainway Arena.

— had a number of strong showings over the five-day, 12-race series including an eighth-place effort on day four.

The challenge now is gaining familiarity and consistency on the rougher currents of Australia and Europe, where most international events are held.

She said, "Sailors in many other countries can train all year long. The trick is to enter as many events around the world as possible and try to get up to their level."

Currently ranked seventh nationally and 132nd worldwide, Taylor realizes full well that beeping up may be one of the keys to moving up.

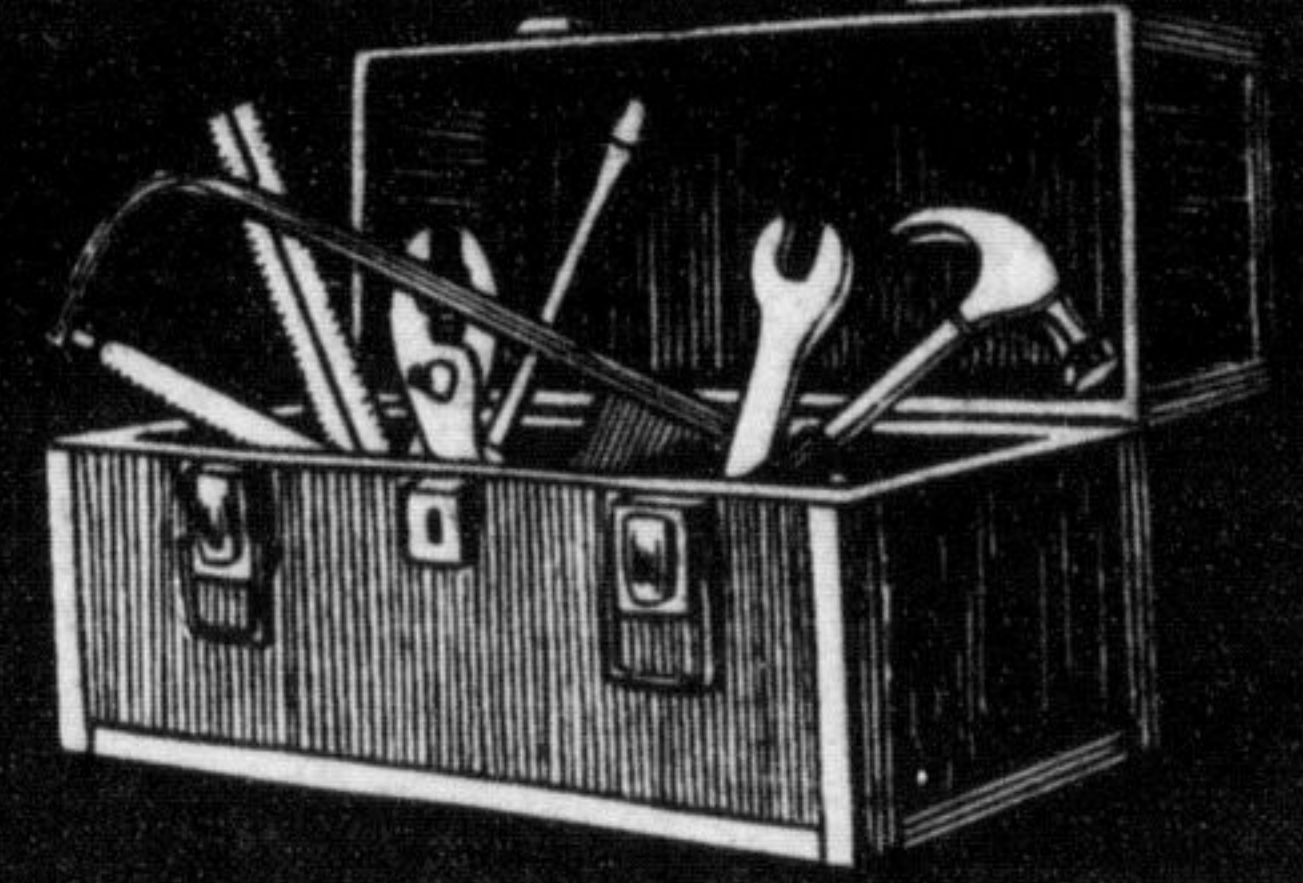

Right now she's somewhat small compared to

most sailors and admits this puts her at a disadvantage when weather conditions are harsh.

"I've started working out more and hope to add on about 10 pounds this summer," she explained. "Sailing isn't exactly a sport for cute, little girls."

Next up for the local competitor is next month's World University Championships in Spain, where she hopes to clear another rung on the ladder.
