SWISS CHALET

ROTISSERIE & GRILL

Since 1954, Swiss Chalet has been famous for its unique rotisserie chicken.

Our tasty "Dizzy" chicken is slowly basted in its own juices so it's always crispy golden on the outside, tender and juicy on the inside.

While we are proud of our famous chicken, we are equally proud of our "Fall Off The Bone" ribs and "Best Anywhere" french fries. Our Goal is to be your first choice in comfort dining. We promise you the comfort of family, good friends, at home hospi-

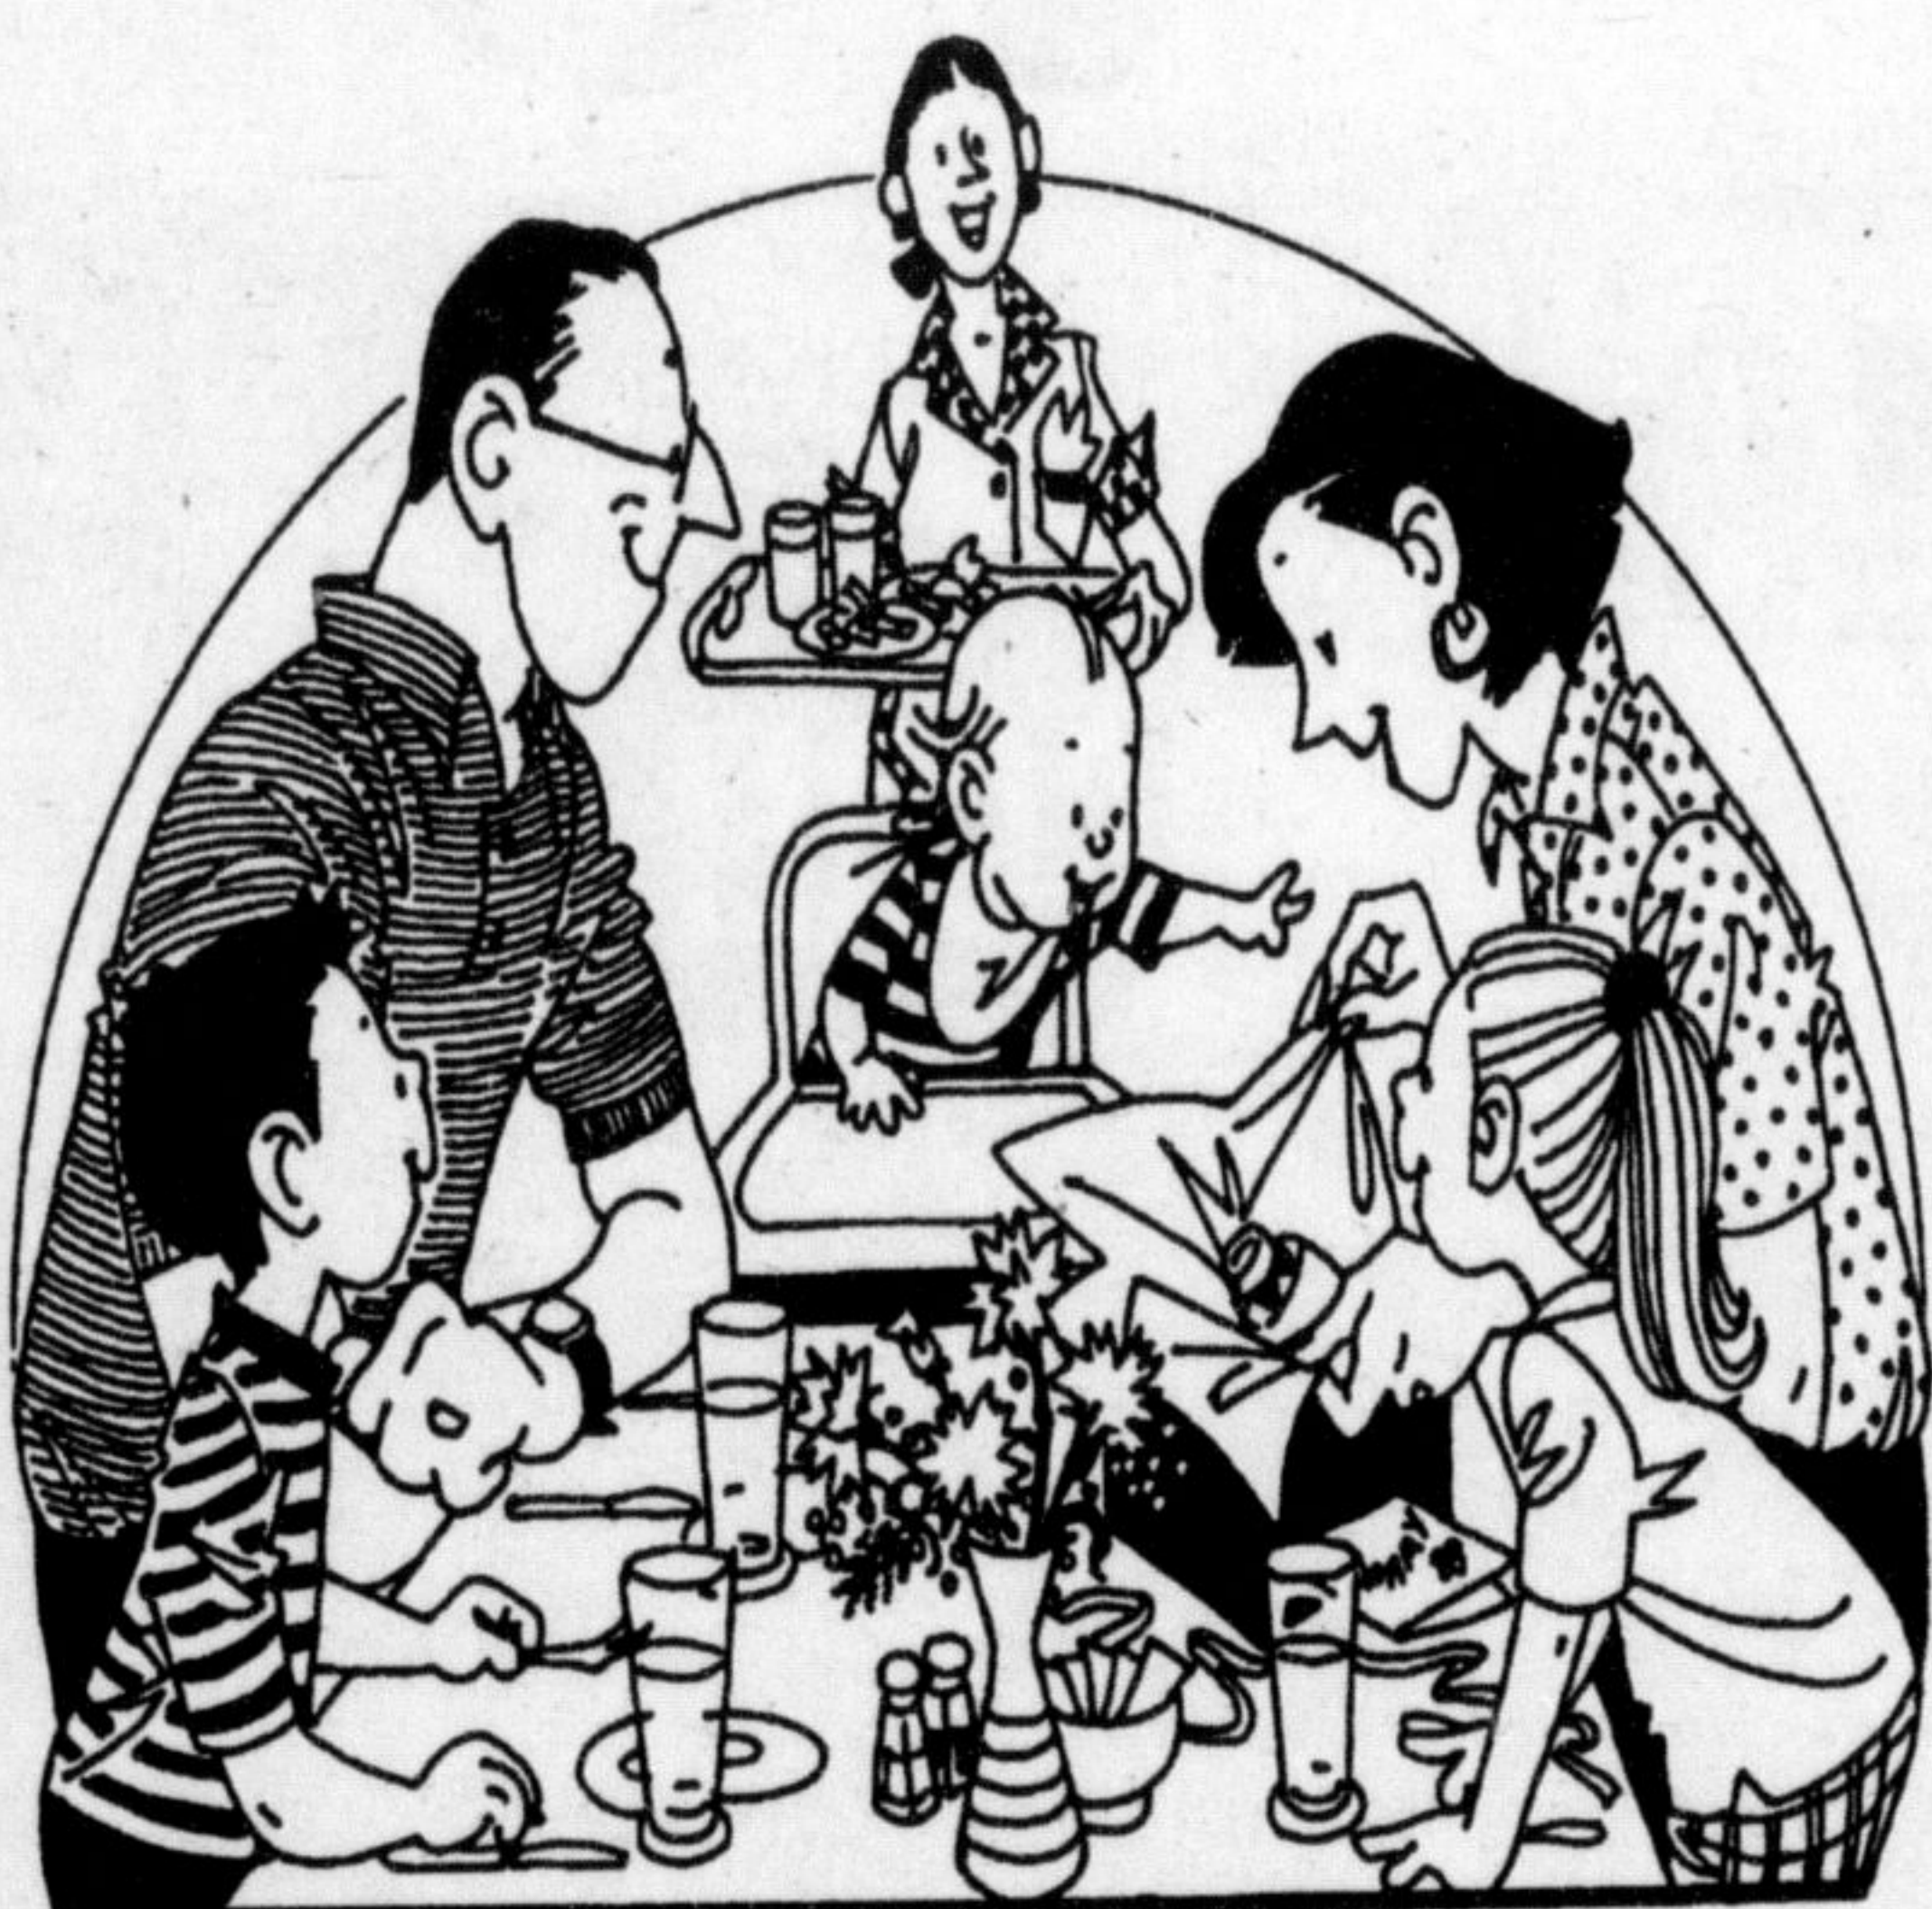

tality and a welcoming environment.

We also have some great new menu items fresh for spring. Enjoy vegetable or chicken stir fry, light and delicious chicken wraps, a veggie burger made for today's lifestyle.

All the taste of a juicy, burger without all the fat, our eastern flavoured Ginger Chicken; or gender, mouth watering perogies.

All our staff are ready to welcome you today.
