## Glorious Britain

Whether you are planning to visit friends or relatives, or just see Britain on your own, there are many travel options to look at and consider. Many of the tour companies offer air only, fly &

drive packages as well as hotel or bed and breakfast accommodations.

One of the prettiest sections of Britain is the Devon region of south west England. There are rolling hills and hedge rowed fields along with a rugged coast line. Visit the seaside resort of Torquay, the cathedral in Exeter, Dartmoor National Park, the Royal Navy Air Services museum near Yeovil or just take a drive through the countryside and see the various historical sites of the many villages with their thatched cottages for which England is famous. To the

north is Bristol and Bath where the world famous Roman bathes are located. You can either take a guided tour or an audio guided tour of your own where you are given a hand held audio player which explains each area in detail. Also see the beautiful 18th century buildings of the Circus Crescent.

If you uncomfortable driving on the left hand side of the road, Trafalgar Tours offers bus tours ranging from 7 - 26 days of different regions of England, Ireland or Scotland including a 9 day Best of Devon and Cornwall. This tour takes you from London where you visit Hampton Court, Runnymede with views of Windsor Castle & Oxford University. From there you travel to Bath and a visit to the Roman Bathes, Cheddar, Glastonbury the legendary burial site of King Arthur, the yarn market in Dunster, cross the moors to the seaside town of Barnstaple. Tour through North Devon down into Cornwall for a visit to St. Michael's Mount, through Penzance to Land's End. Return to London via Plymouth, Salisbury Plains, visiting Stonehenge with a final stop at Winchester Cathedral before your return flight to Canada.

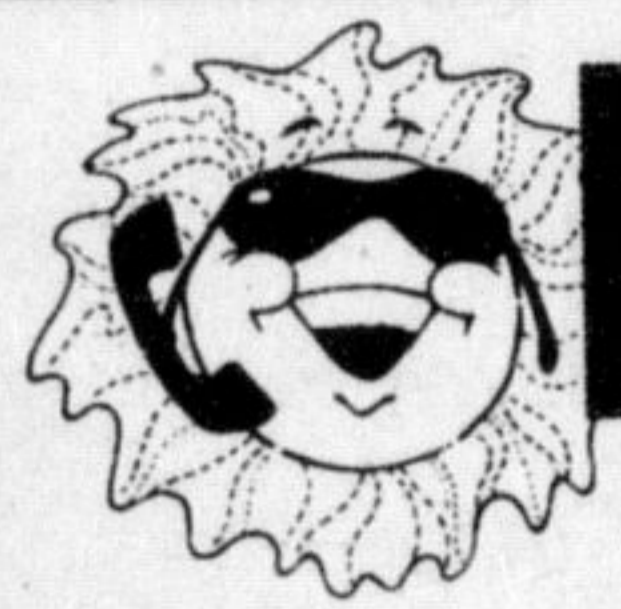

Each tour includes fabulous sightseeing, superior transportation by luxury air conditioned coaches, spectacular scenic drives, some meals and first class hotel accommodations. Trafalgar tours also offers guided tours throughout Europe and the Eastern Mediterranean.

For beer lovers, there is an exciting 13 day tour of Holland, Belgium and Germany which includes visits to breweries Sept 17-29/99. What a way to enjoy a traditional Oktoberfest!

For the art lover, see the paintings of Daumier, Van Gogh and Monet on a 10 day tour of paris and beyond October 7-18/99

Whatever option you choose, your vacation will be an enjoyable one, a history buff's delight.
