A man was arrested, but two other suspects remain at large after a police officer came upon a break-in at the Derry Dispensary building last week.

Acting Sgt. Dave Eakins was driving westbound on Derry Road shortly after 3:30 a.m. May 26 when he noticed a van parked near the rear of the commercial complex.

As the officer approached the scene, two male suspects fled the building and ran into a field, said Det. Sgt. Jackie Gordon of Halton Regional Police.

A third suspect found inside the 1988 Plymouth Voyager was arrested.

Halton police's canine unit unsuccessfully searched the area. However, police believe the suspects stole a car from a Tremaine Road residence to make their escape. A 1989 Chevrolet was reported stolen within an hour after the suspects fled.

About \$6,000 worth of property from the building was seized from the van along with several other items that police believe were stolen from other locations, Det. Sgt. Gordon said.

"The main thrust of what they were after was computer equipment," she said.

Some cash was also taken.

Six businesses in the complex located beside Milton District Hospital were broken into, she said. They included the Derry Dispensary, Milton Physiotherapy, The Feminine Way and several doctors' offices.

The investigation continues.

A 40-year-old St. Catharines man faces six charges of break and enter.

Man hit on head with baseball bat

Police are investigating a surprise attack on a 23-year-old man at a Trafalgar Road farmhouse late last week.

The man was sleeping on the couch shortly after 4 a.m. when he was wakened by his dogs barking.

He opened the door to look outside and was struck over the

head with a baseball bat, said Det. Sgt. Jackie Gordon of Halton Regional Police.

The victim's relatives came to his aid and closed the door. He wasn't seriously hurt.

The police canine unit was called in, but a dog was unable
