ACCEPT NO IMITATIONS!

"The Original" 241 Pizza® is now open under new ownership.

241 Pizza® has been in business for over 14 years. This Canadian owned company has 190 stores to serve you with more locations opening all the time.

The new owners are committed to offering the freshest, high quality products to you every day.

How do they plan to fulfill this commitment?

Well first they start with fresh (never frozen) pizza dough prepared daily. All vegetables are

also cleaned & chopped fresh every day right at the store, and with 12 years of experience these guys really know how to bring you the best product at a great price!

So when your tastebuds are watering for a hot, bubbly pizza, smothered with all your favourite toppings be sure to come in or take advantage of the free delivery to your home, school or business.

Not only do they serve great pizza, but it doesn't stop there. Sink your teeth into their super oven baked barbecued chicken wings, served with carrots, celery and blue cheese dressing. If chicken nuggets are more to your liking they have those too! Both wings and nuggets come with your choice of mild,

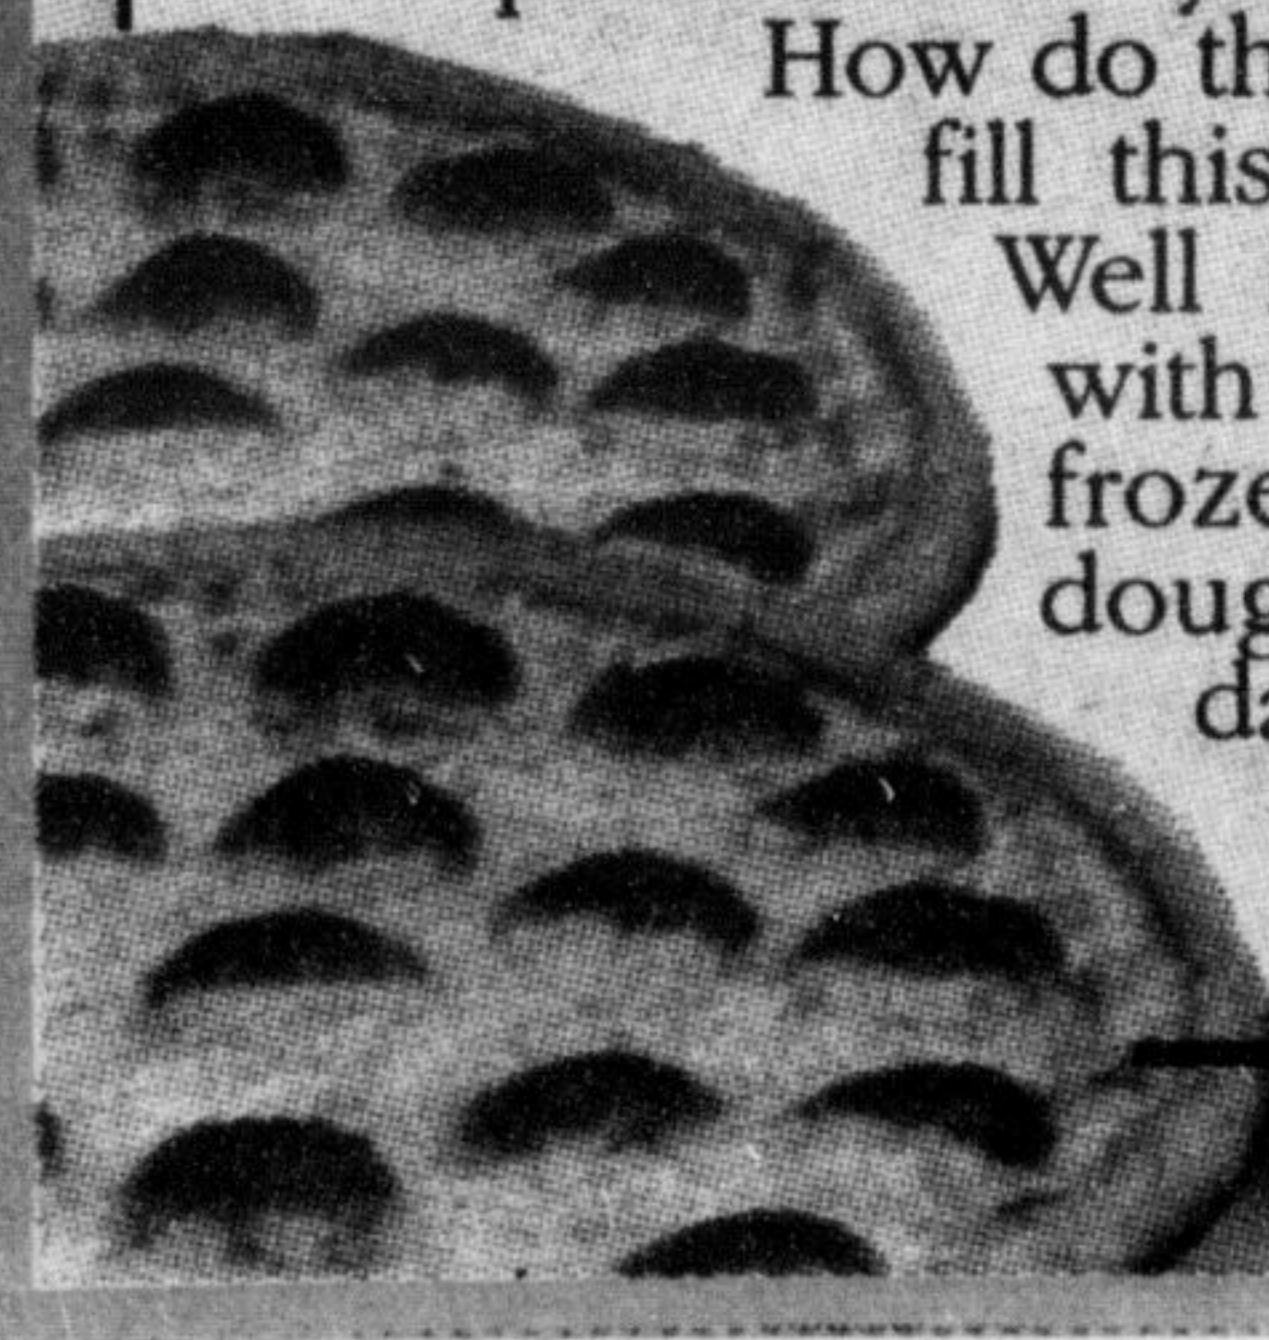

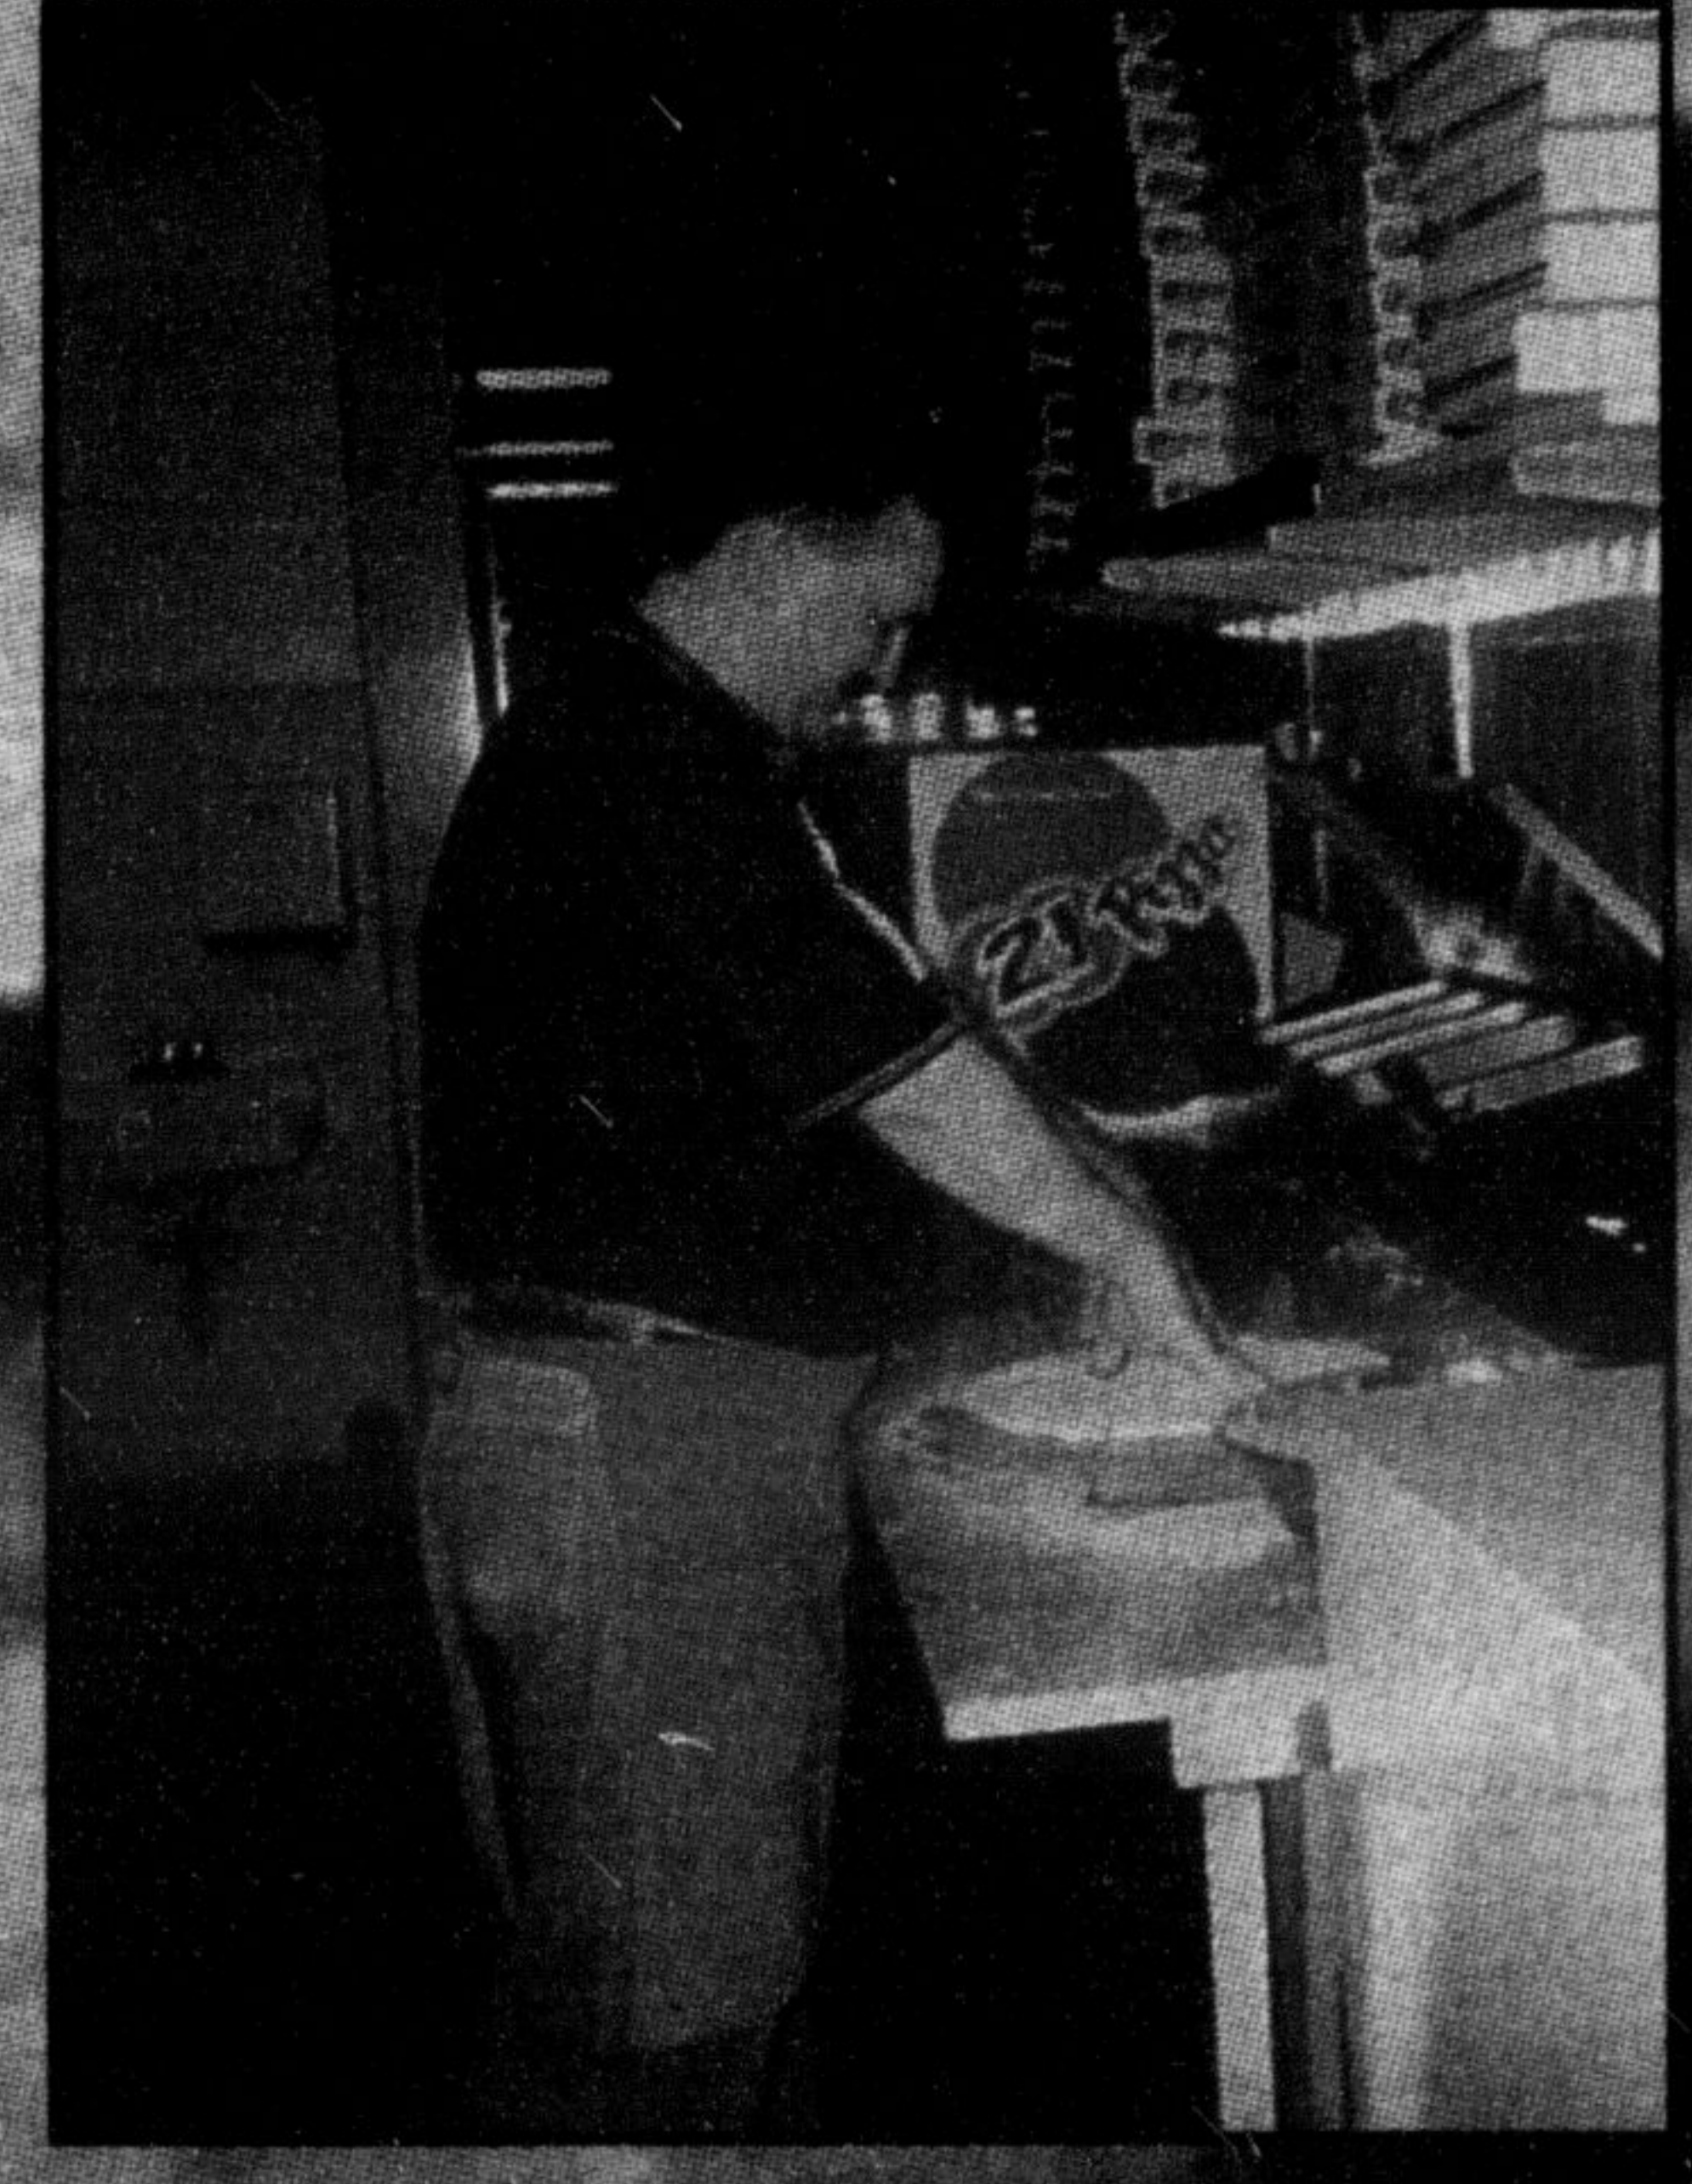

medium, hot, suicide, plum or honey garlic dipping sauce.

Be sure to include their European style garlic bread. Have it plain or with cheese. It's so good!

Come on . . . order your favourite pizza or one of their great combo meals. Your taste buds will thank you!

241 Pizza® always has free delivery. Pick up one of our menus today and see how much a little cash will buy.

241 Pizza® also believes in supporting the community and they train and employ local youth. Also if your team is looking for a sponsor be sure to give them a call.
