HOSPITAL

WELCOME ABOARD

Please join us in welcoming Mr. Roger Sharman to Halton Healthcare Services as President & CEO for a one-year period beginning June 14, 1999. Mr. Sharman replaces Mr. John Oliver who has taken a leave of absence to fulfill a one-year secondment to the Ministry of Health. Mr. Oliver will return to HHS on June 1, 2000.

Roger Sharman comes to HHS from Sunnybrook and Women's College Health Sciences Centre where he was President & CEO of the Orthopaedic and Arthritic Campus. He is actively involved with the Ontario Hospital Association and many of the task forces established to further restructuring projects in the metro Toronto area.

Mr. Roger Sharman and Mr. John Oliver

NEW MEDICAL STAFF

We are pleased to welcome the following new physicians to the Halton Healthcare Services medical staff.

Dr. Christopher Assad, Plastic Surgeon, will be starting a new Plastic Surgery practice in Milton this summer.

Dr. Greg Jaroszynski, Orthopaedic Surgeon, has joined the medical staff and has privileges at both the Milton and Oakville sites.

And, as previously announced, Dr. Sandy Sharma will begin his on-site obstetrics and gynaecology practice at MDH on October 4, 1999 at which time the obstetrical unit will resume operation.

In the meantime, we are continuing our recruitment efforts for a general internist and for family physicians with an interest in obstetrics and anaesthesia.

THANKS

This past month we upgraded our computerized patient registration system at both hospital sites. We'd like to take this opportunity to thank everyone for their patience and understanding during the transition. We'll soon be upgrading the telephone system too so watch for additional notices regarding the introduction of direct dial telephone numbers for a number of the hospital departments and the arrival of a voicemail messaging system. As always, if you have concerns regarding this or anything else at our MDH site please call Hospital Ombud Lisa Droppo at 338-4433 or Public Relations Manager Trish Carlton at 338-4668
