

# Turner has one last hit

Jack Turner had one final hit to deliver before closing the books on his high school baseball career.

The E.C. Drury Spartans outfielder — who's set to attend the University of Western Ontario this fall — was recently named to the Metro Toronto All-Star Team.

This honour, bestowed by the Toronto Star, follows a stellar senior year for the 18-year-old. In 12 games this spring he batted .514 with 19 hits and 10 RBI.

The two-time team MVP's 1999 highlight came during the annual Corbett's Tournament when he crushed a 350-foot homer and helped defeat Thornlea 7-4.

Academically, Turner was equally impressive with an 80 per cent average.

# Euro-tour team spots

The Heartbreakers — an adult hockey team based in Winnipeg — are looking for players to participate in a recreational tour to Germany, Holland and France next season.

Dave Springett, team manager, is currently accepting applications from area players between the ages of 21 and 50 who want to experience a European hockey tour.

While team members are responsible for their own travel expenses, the club provides uniforms and makes all the arrangements. The team is filled on a first come, first served basis and will play five non-contact exhibition games during the 10-day tour.

For more information call Springett at (204) 489-9228.
