Dear Family, Friends and Neighbours of Mona Lisa Scarcella:  
Mona was a unique and passionate person. I guess that's why the good Lord paired her with a fabulous Italian family. He knew what was needed in her life. I had the privilege of spending the March Break with Mona. We talked as much as possible and wrote a journal of her wants and requests for her last wishes. Her sickness changed her. She said it made her appreciate each little thing 10 times more. The warmth of the sun. The chimes in her home. When the breeze moved them differently each time it blew she would think of someone special.  
What Mona wanted to do most, had she been well enough, was to write each of you a personal letter to tell you individually how much you all meant to her. I don't think she had to... you already knew. It showed in the outpouring of love everyone willingly gave to Mona's family during the three days we spent saying good-bye.  
I would like to personally thank you all for allowing me, Elaine Ahola, cousin of Mona Scarcella, to see and be a part of a special time.  
*Thank you, E. Ahola. Cambridge, Ont.*
