The night was cold but the field was set ablaze as both teams played a defensive yet very exciting game. Ernst & Young played in earnest and the Vanier Adjusters had to do a bit of adjusting but finally a goal was scored late in the game by Vanier's Sarah Asdrabolini with a well aimed and hard kicked shot. Excellent goaltending at each end of the field with E & Y's Sara Kingdon and Erin Leaky making some fantastic saves at their end while Vanier's Natalya Schouten and Rachel Metzger could only earn the shut out by pulling out some great saves of their own (Natalya blocked a penalty shot early in the game). Could it have been the evening breeze that allowed Zak's Pharmacy to blow the ball past the Remax goalies? Neither the shut out nor the absence of Remax's Rhys Betts, who was sidelined for a tonsillotomy, could deter the valiant green team who soldiered on the entire game. The excellent goaltending of Daniel Tostik and Matthew Hemsley wasn't enough to stop the forceful goals of Zak's Robbie Stefanelli and Todd Massell. Canadian Champion 7  
Primus Printing & Promotions 3

Canadian Champion took a 3-0 lead in the first 20 minutes with great teamwork and positional play. The trend continued as midfielder Brian Lee made a great run down the right side, followed by a pass relay to Joey Czikk, then on to Mike King for his second goal of the game. Two minutes later, Stephen Gazzola took a throw-in and ran it in at blinding speed for Primus's first goal. Andrew Bayton restored the four goal lead with a booming kick from the right side to close out the first half scoring. Champion adopted a more defensive strategy to start the second half, but this enabled the primus team to keep the ball in the champion end and generate some good scoring chances. But before they could score, Joey Czikk had added another Champion goal in the 18th minute of the half. The Champion offense was rolling again, and Primus goalie Ryan Hammond had to make several great stops, including a coupe at close range from player of the game Brian Lee. Finally, Stephen Gazzola broke through the Champion defense in the 25th minute for the second Primus goal. The Primus persistence paid off five minutes later as Gerry Giddens scored on a long kick from a sharp angle to make the score 6-3. Primus continued to work hard despite having no spare players on this hot evening, but they were running out of time. Andrew Bayton scored his 4th goal of the game for the Champion to close out the scoring with little over a minute left.
