**Limozine Records Presents:**

*DuBay*

DuBay's versatility has carried them through concerts, television, dances, nightclubs, festivals, benefits, new country, street dances, bilingual performances, weddings, legions and trust fund performances such as their "ROCK AND ROLL REVIEW" and "CLASSIC CANADIAN ROCK TRIBUTE" shows. Individually, members of DuBay record, produce and manage other acts, instruct and perform for children, and play classically. After Leaving Los Angeles, Claude Dubé returned to Canada and reformed with colleague Dennis Decker, brother Dany Dubé and old friend Nicholas Holden and new friend Kevin Camilleri, and have gone on to make 3 albums.
