**PENTALIFT**

Pentalift Equipment Corporation is Canada's leading manufacturer of loading dock products and in-plant positioning equipment.

**Mechanical Designer/Estimator**  
You will perform design/layout work and prepare production drawings for both current products and custom-designed equipment. You will interact with the sales group to conceptualize projects and estimate costs in order to determine project pricing.

You are a graduate of a MET program with an emphasis on machine design. You have had three to five years experience applying your engineering skills ideally in a metal fabrication/material handling environment. You have advanced AutoCad skills. You write well (manuals & documentation) and are competent using MS Office. You have had exposure to job costing.

**Loading Dock/Overhead Door Service Technician**  
You duties will involve the installation, maintenance, repair and retro fitting of loading dock equipment and industrial overhead doors.

You are a "Mr. Fix-it" kind of person who is mechanically inclined you know how to weld. You are able to use a variety of tools. You are able to handle heavy materials, are ready to work outside - rain, snow and/or shine and are comfortable working from ladders. You have at least 3 years equipment repair/industrial maintenance experience. You are able to work independently. You have a valid drivers license.

Pentalift is a growing company offering competitive wages and a company-paid benefit plan.

Forward your resume in confidence to: Human Resources, Pentalift Equipment Corporation, Box 1060, Guelph, ON N1H 6N1 Fax (519) 763-2894
