37 In Memoriams

SUSAN ANTON-CLARK passed away September 1997.

If people we love are stolen from us
The best way to have them live on is
To never stop loving them
We always take for granted the ones that we love
We think they'll always be there
And we treat them as such
But if we only make an effort
Show them that we care
Then the love will shine through
And the hate will disappear.
Darlene Takagi & Laura Michaluk
