

# Funny people wanted for comedy series

Funny people who are looking for their big break could be just a two-minute tape away from stardom if they act quickly.

The Comedy Network, in conjunction with a leading production firm, is on a coast-to-coast search to discover Canada's next comedy superstars.

Several performers from across the

country will have an opportunity for national television exposure as subjects in a new comedy series.

From the bizarre — dry cleaners with singing nostrils — to the conventional — part-time comics who are full-time waiters — the producers are looking for talented Canadians with a strong desire to be the

next household name in comedy.

Applicants must be at least 18. Applicants must submit one two-minute VHS or Hi-8 tape of their talent, together with a bio, no later than October 15. Tapes will not be returned. Send submissions to X Marks the Spot, 250 Carlaw Avenue, Suite 104, Toronto, M4M 3L1.

## Three tenors to sing for housing project

An upcoming fundraiser for the Milton Millennium Community Residences (MMCR) is set to hit a high note with the appearance of three local tenors.

Father Mark Curtis, Glen Soderholm and Chris Fischer will perform Friday, Nov. 19 and Saturday, Nov. 20 in 'Milton's 3 Tenors in Concert' at Knox Presbyterian Church, 170 Main St. E. The show will begin at 8 p.m.

Tickets cost \$15, with proceeds going toward the MMCR, a non-profit, community organization with a mission to provide assisted living for those in need.

A singer/songwriter for more than 20 years, Mr. Soderholm will put aside his day gig as a full-time Presbyterian pastor to appear in the show.

Fr. Curtis, known as Milton's singing priest, will draw from his original repertoire of contemporary Christian music.

The trio is rounded out by Mr. Fischer, the new director of music ministries at Knox church.

Tickets to the show are available at Delacourt's on Main Street, Peggy's in the Milton Mall and Karen's Flowers on Laurier.
