Services

Esthetician & Certified  
Reflexologist

With the cool winter months upon us, it is time to  
prevent our skin from becoming dry, tight and  
dehydrated. Body & Sole offers in-depth knowl-  
edge and expertise in hydration and skin protection.  
Our Yonka Facial, derived from Paris is offered A LA  
CÂRTE, which means we can customize a personal  
treatment according to your skin type. Here, aromather-  
apy plays an important part in cleansing the skin and  
relaxing the mind. From premenstrual to extremely sensi-  
tive skin, fine lines, sagging, dehydration, age spots  
even smoker skin. Your skin can be characterized by its  
thickness level of firmness and hydration. Your stress level  
and the environment influence your needs. Consult one  
of our estheticians to obtain an in depth diagnosis and  
personalized program. Julie or Sandra invite you to book  
your appointment today.
