which had been a gift to the couple.

"They tried to take it other times but they couldn't," said Ms Stewart.

"There were footprints all around it."

Typically, the foiled thieves would content themselves with snapping off an ear.

"We've had to fix it many times," said Ms Stewart. "If we had the head, we could fix it."

But with a second cow now steered away, Ms Stewart is hopeful the culprits will be apprehended.

"I'd love to catch them at it," she said.

So, presumably, would the latest victim, who is dis-

traught over Melissa's disappearance, said Mr. Wilson.

"He's all upset," he said. "Cliffe has been in here crying all over the place."

A small reward for information leading to the return of the half-done Holstein has been offered by friends of Mr. Bill.

According to Mr. Wilson, she's black and white with two horns, three teats and a bell around her neck.

The culprits, he suspects, are kids.

"Who else would take it," he asked. "We are just hoping someone's mother will see this."

## DATELINE DRURY AT E.C. DRURY HIGH SCHOOL ADVERTISEMENT

**Dateline Drury - Oct. 22, 1999**  
By Candice Hugo, Sarah Hamilton and Kristyn Di Girolamo

Hello again! Hopefully your week has been as exciting as ours. As usual, E.C. Drury has been a busy place for all.

One group of students who have been especially busy is the student council. On Monday morning, this committee held a loony drive. Volunteers collected donations as cars entered the main parking lot. The money raised was donated to the Milton District Hospital. A special thank you goes out to all those who contributed!

Drury students have not only been fundraising, but they have been participating on the school reach team, an inter scholastic academic team which competes against other Halton High Schools.

Preparation is the key in the organization of many events. This week students actively planned the boy's volleyball tournament, which is taking place tonight and continues on tomorrow in the sports building. This event is the first of many to come, in Drury's new gym. Recently renovated, this new facility has, in the past, given many gym classes and teams excellent atmosphere for involvement in Drury sports. The E.C. Drury rugby team produced outstanding results in the Provincial Championships. The junior girls placed second in all of Ontario, the best finish by any Halton girls rugby team in the last 26 years. The senior girls also did extremely well placing eighth in their senior division. Congratulations for such outstanding achievements! Obviously Drury athletes continue to excel.

In other news the succesful program, TAG, is proving to be an asset to the school. The past two weeks, TAG groups have been collecting non-perishable food items for the food drive. Money is also being raised through QSP, a program which sells magazine subscriptions and donates the profits to the school. This will go towards improvements around E.C. Drury. So everyone get out there and sell, sell, sell!

It is obvious that there is lots happening in the wonderful world of E.C. Drury and Dateline Drury will be sure to keep the community updated.

Stay tuned!

## Why do other driving courses say they're just like Young Drivers?

Maybe it's because Young Drivers has *thirty years* of experience teaching collision avoidance.

And over *half a million graduates*, coast to coast.

And *more than a million dollars* invested in driver training research, plus *another million* invested in annual recertification programs for

our instructors over the past 10 years.

And has achieved Registration to the coveted *ISO ISO 9001 Quality Assurance Management Standard*.

No matter *what* they say, no one else is *anything* like Young Drivers!
