The lowest or any bid will not necessarily be accepted.

Any inquiries regarding this tender may be directed to Denise Black, at (905) 878-7252 ext. 143.

Deoni trial date set for April, 2000

Catholic school Trustee Joe Deoni — who faces fraud charges — will return to court in January for a pre-trial and then go back in April for a trial.

Mr. Deoni appeared in assignment court in Milton with his new lawyer Peter DiMartino Monday. A pre-trial, in which lawyers meet to hammer out legal issues, was slated for that day, but it

Joe Deoni

was postponed until January 6.

A trial date has been set for April 3. The trial is expected to last about five days.

Proceedings in the year-and-a-half-old case were postponed several times while Mr. Deoni's first lawyer requested time to receive and review all legal documents. Then, Mr. Deoni changed lawyers.

Mr. Deoni, who was acclaimed in 1997 to the position of Milton school trustee (English) for the Catholic District School Board, was ordered to stand trial following a preliminary hearing March 25.

He was charged in March, 1998 with fraud over \$5,000 following a two-month Halton Regional Police investigation at the Milton business where Mr. Deoni worked on contract as a bookkeeper.

He remains serving as school trustee. The Education Act calls for the removal of a trustee only if a conviction is registered.

TOWN OF MILTON

PUBLIC WORKSHOP/OPEN HOUSE - MILTON 401 INDUSTRIAL/BUSINESS PARK

BACKGROUND

The Town of Milton and the Region of Halton have been involved in the Halton Urban Structure Plan (HUSP) - a strategy for managing Regional and local growth over the next 20 years. In relation to the proposed growth, the Milton Official Plan provides for approximately 2000 hectares (4940 acres) of additional land for new growth, including approximately 800 net hectares (1977 net acres) of employment lands.

In accordance with the policies of the Milton Official Plan and HUSP, the Town of Milton is now proceeding to implement HUSP through the preparation of a secondary plan and related supporting plans and guidelines for the Milton 401 Industrial/Business Park. The purpose of these studies is as follows:

- i) **Milton 401 Industrial/Business Park Secondary Plan**
The Secondary Plan (being carried out in accordance with Sections 17 and 21 of the Planning Act and in conformity with the Town of Milton Official Plan) study area is located south and west of No. 5 Sideroad and the proposed James Snow Parkway, north of Highway 401, Steeles Ave and the CNR rail line and east of Bronte Street, Sixteen Mile Creek, Peru Road and Tremaine Road (See Map) The draft secondary plan will provide detailed policies on matters such as land use, urban form and design, transportation, servicing, including stormwater management, and other related issues for this employment area. As part of the secondary plan preparation, a fiscal impact analysis will also be carried out.
- ii) **Functional Stormwater and Servicing Reports**
These reports will be prepared based on the proposed Secondary Plan and will define constraints

and opportunities and evaluate viable stormwater management and servicing options.

iii) **Urban Design Guidelines**

The Urban Design Guidelines provide design direction within the study area for public areas such as streetscapes and natural features. They will also include site design guidelines addressing site specific issues such as parking, open storage and screening, as well as architectural control guidelines which give detailed direction regarding building design.

PUBLIC OPEN HOUSE

An essential component of the secondary plan process is public consultation. Members of the public wishing further information regarding these studies should contact the undersigned. Information is also available on the Town's website at www.town.milton.on.ca. Members of the public who wish to participate in these undertakings and require notification of further public meetings or other matters related to the study should advise the undersigned in writing. The public are also invited to attend the second public open house as follows:

PLACE: FOYER, MILTON TOWN HALL
DATE: WEDNESDAY, NOVEMBER 10, 1999
OPEN HOUSE: 7:00 - 9:00 PM

PURPOSE: To review the draft Secondary Plan, Urban Design Guidelines and Functional Stormwater and Servicing Reports (Copies of these reports will be available at the Open House and following that at the Planning Department)

WRITTEN SUBMISSIONS: Written submissions are invited with respect to the Draft Secondary Plan, Urban

Design Guidelines and Functional Stormwater and Servicing Reports and should be made to the undersigned by December 17, 1999.

STATUTORY PUBLIC MEETING ADVANCE NOTICE

The statutory public meeting required by the Planning Act with respect to the proposed Milton 401 Industrial/Business Park Secondary Plan and related Official Plan amendments will be held **December 13, 1999** at 7:30 pm in the Council Chambers of the Milton Town Hall. Formal notice of this meeting will be published prior to the meeting.
