

# Milton Residents: YARD WASTE COLLECTION WILL SOON END!

**Yard Waste will continue every other week on  
your Blue Box day until the week of November 29th 1999.  
Place materials curbside by 7:30 a.m.**

- Please keep **Yard Waste separate from your garbage and blue box.** This avoids confusion during collection.
- Yard Waste **must** be placed in **clear** plastic bags (dark bags will not be collected), large paper yard waste bags or small open containers (no garbage cans).
- **Brush must be bundled and tied, not bagged, no larger than 4 feet long by 2 feet diameter with branches a maximum of 3 inches diameter.**
- Yard Waste bags or containers must be no heavier than 23 kg (50 pounds).
- Grasscycle by leaving grass clippings on your lawn as mulch!
- Composting (backyard or vermicomposting) can divert up to 20% of waste going to landfill.

Please refer to your **WASTE MANAGEMENT CALENDAR** for more information.  
If you do not have a calendar please call:
