PRESIDENT'S MESSAGE

It seems like it was only hours ago when I had the first opportunity to write in this column as the new president and here we are less than 30 days from year-end and the turn of the century. What a Year! The Chamber continues to progress to lead important issues that effect all businesses and ultimately the residents of Milton. Growth has arrived and will be key to maintaining and preserving Milton's unique history and culture. Our committees have been very active and successful in expanding our programs to ensure value to our membership. All of this is not possible without the dedicated support of our membership and the group of volunteers who run the committees. A big thank you to all of you. Equally the dedicated staff of our Chamber led by Executive Director Sandy Martin have been instrumental in our progress and delivery of services. Your efforts are sincerely appreciated. Finally to all the employees and residents of Milton, thank you for contributing to the continued cultural growth and spirit that is uniquely Milton. Its been a hectic but fun year. To all of you a very Merry Christmas and a healthy and prosperous New Year.

Hospital celebrates "40th" year since the opening Nov. 21, 1959 with an open house & tours. Jim Dills (Life time of Chamber of Commerce) and Shirely Dills looking over the past & the present at the event.
