Wanderers capture soccer title in Milton minor soccer league

Milton Minor Soccer Association closed its season Sunday afternoon when the Wanderers beat the Falcons 3-1 to win the house league championship.

Les and Brian Wilson were the take charge guys for the Wanderers. Brian set Les up with a forward pass on several occasions and the speedy youngster charged in on the net, scoring twice.

Brian cashed in on one opportunity for a goal late in the game, giving the Wanderers the 3-1 win. John Comber counted the only goal for the Falcons. Up until the late stages of the game the score could have gone either way.

Sunday marked the end of a

successful season in Milton. Executive member Jim Wanless said most of the 46 boys who took part in the house league were of British or European extraction and became interested in the game when they heard their parents talk about it around the house.

In the beginning it took a lot of work and at times executive members wondered where the money was to come from to sponsor the organization.

Since then the Milton Association has formed a good house league and was fundamental in the formation of the Halton-Peel Soccer Association.

Milton entered three teams in that league but was unable to

win any cups for their efforts. In spite of this the boys' spirits remained high throughout the season and according to coaches they have learned the fundamentals and many have the nucleus for good soccer players.

Mr. Wanless projected a larger house league next year which would involve also players from O.S.D. if plans go well.

Mr. Wanless said there was a bantreed planned for the boys Nov. 15 and the World Cup games would be shown. The bantreed would be followed by a get-together of the parents in the evening.

The bantreed is being held in conjunction with the Optimist organized Youth Appreciation Week.
