

# What Christmas means to me...

## Happy Hanukkah

## Jesus in my heart

When I was little, Christmas meant going to see Santa at the mall. Now, Christmas means going to visit family and friends. When I was little, Christmas meant getting presents. Now, Christmas means giving presents. When I was little, Christmas meant watching Dad put up the Christmas lights. Now, Christmas means helping Dad put up the Christmas lights.

When I was little, Christmas meant decorating the bottom of the tree. Now, Christmas means decorating the bottom and the top of the tree. When I was little, Christmas meant playing with my older cousins. Now, Christmas means helping with my younger cousins. When I was little, Christmas meant eating lots of cookies. Now, Christmas means baking lots of cookies and eating just a few.

When I was little, Christmas meant Santa coming to my house. Now,

Christmas means Jesus coming into my heart.

## Really cool

Christmas is about family and friends not presents. Why? I think this is because when our family gets together at Christmas, we have dinner together and have a great time. My aunts and uncles are laughing. My cousins are playing. I like that! I love getting together with my family and talking to people I haven't seen since last year. I like receiving presents, but seeing my family is also fun.

My Uncle Dave plays Christmas songs and we all join in. The last few years, we have spent Christmas at my grandma's house. It was fun. When we got up, we opened our presents followed by a delicious breakfast. Then we went to my

cousin's for a while. We are very busy around Christmas because we visit out families and go shopping.

My favourite time is Christmas Eve at my grandma's because we drive down this road and look at the decorations on the houses. There are ferris wheels and mangers with Christmas lights around them. It is really cool. I love Christmas and I hope you do too.

## Love, joy and peace

Christmas is a time for love, joy, and peace. It is time to meet with your whole family and your friends. Christmas is the best time of the year. I love coming downstairs to look at the Christmas tree. Then I go downstairs to the family room and see the other presents in the stockings. When everyone is awake, we open our Christmas presents. Then we start getting ready for 9 a.m. mass at Holy Rosary Church.

When 9 a.m. mass is over, my cousins come over. Then we start eating Christmas lunch. My cousins go home at 8 p.m. That is what Christmas means to me.
