## Pets get a holiday, too, at Redwood kennel

By IRENE GENTLE

Humans should have it so good. Picture sunlight-strewn luxury accommodations, outdoor space ideal for stretching the legs, two pools and a patio, personal grooming, exercise and social periods every day.

That's life at the Redwood Pet Resort located at 7594 Auburn Rd. off of Trafalgar Road in Hornby.

The 20,000-square-foot facility is like a one-stop shopping for pet needs including luxury boarding,

grooming and obedience training. Breeding and a fly-ball agility club are also offered at the pet resort.

And the facility even claims the Mighty Hercules, ranked the number one giant schnauzer and working dog in Canada. Stress-free pets are happy pets, explained Redwood owner Derrick Wood.

That's the premise he has worked on for 23 years. These days he's helped out by his wife Idona and two sons, Derrick and Jason.

"Basically the only problem with boarding animals is the stress factor," he said. "We're able to monitor the animals 24-hours-a-day. They're never unattended."
