ALSTOM

ALSTOM, one of the world's leading suppliers of Diesel Engine Power Plants for Power Stations and the Marine Industry, requires a **SHIPPER / RECEIVER** for their Oakville Warehouse reporting to the Customer Service Manager.

This position is responsible for all aspects of the warehouse function, including shipping, receiving, inventory control and warehouse maintenance.

Secondary school education with a minimum of 2 years related work and forklift experience is required.

You must be able to work independently, have a take charge attitude and be keenly interested in performing all facets of the logistics function in a small department. Computer proficiency and strong organizational skills are a must. Previous experience in preparation of export shipment paperwork and inventory control would be an asset.

We offer a competitive compensation and benefits package, a dynamic and experienced team of co-workers and training for skills and future development.

Mail, fax or e-mail your resume to:

ALSTOM Canada Inc., Engines
355 Wycroft Road, Oakville, ON L6K 2H2
Fax: (905) 842-2025 • e-mail: alstom@interlog.com

We thank all applicants, however, only selected candidates will be contacted.

Part-time days, evenings and weekends. Apply in person to:
420 Main Street East, Milton

The Regional Municipality of Halton is responsible for providing a number of services, including public health, social and community services, water distribution, wastewater treatment, waste management, regional roads and land-use planning.

Industrial Electricians

In this role, you will perform repairs using your thorough knowledge of motor controls, high-voltage switch gear, programmable logic (PLC), instrumentation, electronics and other related equipment. Among your responsibilities are troubleshooting all types of electrical and related equipment, making recommendations, interpreting manuals, diagrams, control circuits, schematics and prints, as well as maintaining records. You must have completed an approved apprenticeship program and be certified as an Industrial Electrician in good standing with the Ministry of Community Colleges and Universities. Three to five years of practical experience, and knowledge of hydraulics and pneumatics, Supervisory Control and Data Acquisition Systems (SCADA) would be ideal. The salary for this position is \$20.39 per hour. **Comp. #PP-245**

Industrial Mechanic (Millwright)

A certified Industrial Mechanic (Millwright) in good standing with the Ministry of Community Colleges and Universities, you have what it takes to perform repairs for the Region. Calling on your thorough knowledge of pumps, valves, electric and pneumatic actuators, motors, gears, hydraulics, mechanical drives, speed reducers and other related equipment, you will troubleshoot all types of mechanical and related equipment. This will entail interpreting manuals, diagrams, schematics and prints, maintaining records, and performing welding, pipe fitting and rigging as required. Naturally, you have completed an approved apprenticeship program, and are familiar with computerized maintenance systems. Three to five years of practical experience, and familiarity with electronic equipment are considered assets. The salary for this position is \$19.62 per hour. **Comp. #PP-247**

Please forward your resume, quoting appropriate comp. number, by **Feb. 18, 2000**, to: **Human Resources, The Regional Municipality of Halton, 1151 Bronte Road, Oakville, Ontario, L6M 3L1. Fax: (905) 825-4032.**

We thank all candidates for their interest. However, only those selected for an interview will be contacted.

Service Technician

Canadian Inkjet Systems, a leading distributor of industrial equipment located in Oakville, is seeking a Service Technician for our Ontario operation. Reporting to the Service Supervisor, the candidate should be a graduate technician of Computer Electronics, Electronics or Electrical systems, possess a high degree of self-motivation and bring a positive attitude to the position. Experience is an asset. A comprehensive package including salary benefits and car allowance is offered. Reply in confidence to:

Royal & Sun Alliance Life Insurance Company of Canada is a member of the Royal & Sun Alliance Insurance Group plc, one of the largest insurance groups in the world. We have distinguished ourselves in Canada's financial marketplace by offering consumers a broad and competitive portfolio of high quality life insurance, savings, investment, and retirement income products. We are looking for people to add value to our company in the following roles:

It's about staying on life's course while exploring new directions.

We offer a generous compensation package, a flexible and comprehensive benefits program, and the opportunity to work in a progressive environment that promotes creativity and professional growth.

If you are seeking an opportunity to explore new directions in the Oakville community, please forward your resume to:
Human Resources,
Royal & SunAlliance
Financial, 277 Lakeshore
Road East, Oakville,
Ontario
L6J 1H9

Actuarial Assistant
Reporting to the Director of Actuarial, you will assist the department in communicating with the field and providing special quotes. You will use your strong mathematical skills to help create new plan headers as well as look-up tables for test regions. You will also assist, as required, in the preparation of weekly and monthly reports. LOMA 280 & 301, knowledge of Excel, Ingenium and/or CAPS-I-L, and bilingualism are definite assets.

Administrative Assistant (P/T)

Your proven administrative track record at the executive level, will help you provide administrative and software support to the Operating Committee, Head Office and Regional Office staff. You will assist in the co-ordination and preparation of board meetings, conventions, and various procedure manuals and reports. You will maintain corporate licences, complete regulatory returns and develop internal software templates. Your expert knowledge of Word and Powerpoint (Office 97) and strong knowledge of Windows 95 and Excel are complemented by a good understanding of PC/LAN technology. You are a multi-tasker, able to prioritize many, often conflicting and rapidly changing, assignments. You possess outstanding written and verbal communication skills, and learn new software quickly. Life insurance and/or legal experience is an asset.
