LAFARGE CANADA INC. LABORATORY TECHNICIAN

Lafarge, Canada's leading supplier of construction materials with domestic sales in excess of one billion dollars and locations in more than 65 countries has an opening at the Regional Lab in Dundas, Ontario for a Laboratory Technician. Responsibilities include testing in the development of concrete, asphalt and aggregate products in accordance with CSA standards. You will assist in product training and demonstrations as well as communication materials. Maintenance of the database for test results analysis will be a priority.

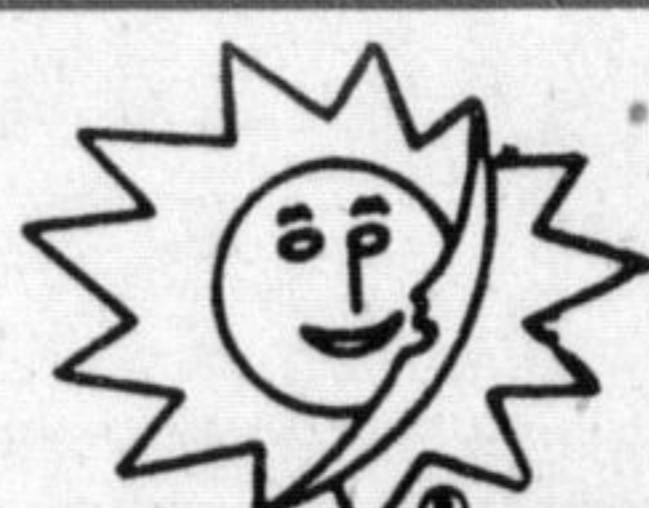

In addition to your Post Secondary education in Civil Engineering Technology, you are familiar with the CSA requirements for concrete, asphalt and aggregate testing along with lab operations. You have excellent communication skills and can work independently or as part of a team. Practical field or lab experience would be a definite asset.

Lafarge offers a competitive compensation and benefits package. Starting salary will be commensurate with skills and experience. Resumes with a covering letter should be submitted no later than **February 20, 2000** to:

"Laboratory Technician", Lafarge Canada Inc.,
7880 Keele Street, 5th Floor,
Concord, ON L4K 4G7
Fax: (905) 738-7092

Lafarge is committed to the principles of equity in employment and encourages applications from women, visible minorities and persons with disabilities and members of Canada's First Nations.

Only those candidates selected for an interview will be contacted.
