SO MANY CHOICES!

LAS VEGAS HAS SO MANY ATTRACTIONS NOW, including one of the newest Resort Hotels which doesn't have any gambling on its premises - and this is just a sample of the changes which are taking place there in the desert city. MANY NEW RESORT HOTELS CATERING TO FAMILIES - the whole attitude of what Vegas is all about is changing. But for those who want to enjoy the exciting world of gambling / betting - it's still all there too, with more opportunities than ever, and ever larger returns promised!

WALT DISNEY WORLD IN FLORIDA has such a variety of options, that one needs to sit down with their favourite travel counselor and get all the facts, before deciding which is THE BEST PACKAGE FOR YOU. And the fact they are in the cruise business gives you an opportunity to do a cruise-and-stay type. THE KIDS ARE THOROUGHLY ENTERTAINED, and MOM AND DAD ARE PAMPERED - now what's wrong with that! A lifetime of magical memories.

CUBA IS AT THE FRONT OF THE LIST for vacation spots to visit, as year after year the amount of Canadians visiting there, either as first-timers, or returnees (many times!) increases dramatically. VARADERO, SANTIAGO de CUBA, the beautiful City of HAVANA (how many remember the 'Sugar Kings' of the International Baseball League?) - with all the variables of terrain, and lovely beaches and climate - with economical packages available - WHY NOT VISIT CUBA!

CARIBBEAN ISLANDS HAVE A SUCH A VARIETY TO OFFER - some with level, almost flat lands, to others with mountain settings with views that go on forever, all leading down to the FINE, SANDY BEACHES WITH THE AZUR WATERS. More and more folks are choosing to get inland away from the beaches for a day or so while visiting these various countries to VISIT WITH THE LOCAL PEOPLE and see their way of life. WE RECOMMEND IT as a very enlightening and worthwhile part of a total vacation.

THEN OF COURSE THERE IS MEXICO, which is a very exciting and interesting country from top to bottom. Such a variety to choose - the YUCATAN with its many MAYAN RUINS and remarkable history of these pleasant folks; MEXICO CITY - itself offering so many tourist sites to visit; to PUERTO VALLARTA, MANZANILLO, CANCUN, COZUMEL, ACAPULCO, GUADALAJARA... the list goes on and on with each offering its own unique setting, for one to make their choice.

Town selling 2000 merchandise line

The big night may be over, but Milton's millennium celebrations are expected to last all year long.

And to help local revelers look their best, the Milton Millennium organizing committee is introducing a new 2000 merchandising line.

The first item off the line is a high quality denim shirt with the tri-coloured Milton Millennium logo on the front.

And more summer and fall 2000 items are on the way, promised Cathy Miller, a supervisor with the millennium committee.

The limited edition denim shirt will be available this year only for \$36.50.

Other 2000 events include a legacy garden project at Chris Hadfield Park.

That will feature a time capsule placed in a new gazebo.

An evening at the islands dinner and dance is scheduled for May. And millennium events will add sparkle to Milton's Canada Day celebrations.

For those who don't follow the 'everyone-in-denim-trend', a full range of merchandise is already offered by the Town, including sweatshirts, golf shirts, t-shirts, and caps.

Sports bags, travel mugs, pins and pens are also available with the Town logo, which was adopted by council in 1990.

All merchandise can be ordered at Town Hall between 8:30 a.m. and 4:30 p.m., Monday through Friday. Inquiries about the items can be made at the information desk.

Our Purpose

Our lasting purpose is to provide quality care to dedicated enthusiastic families for the purpose of maximizing their health. To increase the potential in people's lives so they can experience life to the fullest, naturally.
