## Goliger's TravelPlus

Imagine one of the world's greatest playgrounds in which to sun, swim, snorkel, scuba, surf, sail or just sleep on the sand.

Comprised of seven hundred islands and covering a distance of just seven hundred miles, the Bahamas are a favorite Canadian destination.

Nassau, the capital city is situated on New Providence Island. Nassau offers plenty to do in the downtown. Sightseeing by horse-drawn carriage, dining, dancing and shopping at the famous Straw Market.

Connected to Nassau by a 600 foot bridge the nightlife of Paradise Island calls out to all visitors. The Atlantis Resort and Casino with 2,355 rooms, a 44 acre waterscape, a 7 acre snorkeling lagoon with live sharks, barracudas and stingrays, over 20 restaurants, 18 bars and lounges, 18 hole golf course and much more make this resort a must see.

A few miles west of Nassau is Cable Beach with two and one-half miles of sandy white beach. Cable Beach has first class and luxury resorts with the largest casino in The Islands Of The Bahamas.

For the traveller or looking for a unique adventure, just a twenty minute scenic boat ride from Paradise island takes you to Blue Lagoon Island. Famous for its beautiful beaches, great snorkeling and nature trails. While on the island visitors can take part in the Close Encounter experience. You sit in shallow water while dolphins play around you. For the more adventurous, the Swim with Dolphins program lets you spend 30 unforgettable minutes swimming in the water with

Vacationers enjoy the beautiful surf and sand on one of the many sunny beaches in Nassau.

dolphins. A new attraction on the island, Stingray City, enables swimmers to interact with a large group of southern stingrays.

Opportunities exist to explore the reefs and marine world of the Islands of the Bahamas while walking along the sea bottom wearing a diving helmet.

For the golfer in the family, Nassau, Paradise Island boasts three spectacular courses. For the fisherman, deep sea fishing boats take anglers out on half or full day fishing trips.

Just a short 3 hour flight from

Toronto. Charter flights depart Toronto every Sunday and Thursday for Nassau, making the Bahamas a convenient location for a short getaway.

With all this to offer why not try a holiday in the Bahamas this year.

TO UNITED KINGDOM AND GERMANY being allowed by your federal government is in your best interest to further levels of service and competition in the skies. This should ADD TO THE LIST OF 'ACCEPTABLE' FARES & TIMETABLES for all levels of need. We shall see. CANADA 3000 AIRLINES has been designated a scheduled air carrier to serve these destinations, which they have already been servicing with a varying schedule for the most part via their Charter air service. This decision is a direct result of the government's new competitive airline policy network to protect the interest of Canadians in air travel. Should be an interesting summer in the air travel industry - all the more reason to SEE YOUR PROFESSIONAL TRAVEL AGENT FOR ALL YOUR OPTIONS, SOON!

AIR TRANSAT HOLIDAYS HAS RELEASED A 2000 EUROPE BUYING GUIDE to assist travel agents in serving their products to the public. This 48-page, full-colour guide outlines the company's flights, hotels and car rental packages for 23 DESTINATIONS IN EUROPE. New to this year's product line are flights from Toronto to Warsaw, Malaga and Marseilles. This publication is an added tool for the travel counsellor pro to use along with their own experience and many other sources of data at hand to best assist them in arranging your travel plans all the way. AIR TRANSAT WILL MOVE TO TERMINAL THREE in the spring as part of the restructuring taking place in Canada's airline industry. ALWAYS make sure of the terminal you are departing from on your carrier, before leaving for the airport!

ISRAEL - 'THE LAND WHERE TIME BEGAN' - is their new motto for 2000, and their Ministry of Tourism has an expanded menu in store for tourists for this new year/century/millennium. HISTORICAL, CULTURAL and immense EMOTIONAL APPEAL are the leading edge items which draw millions every year. But there is so much more - spas, grand hotels, kibbutz hotels, hot springs, mud baths, archeology, golf, skiing, fantastic shopping. A MEMORABLE VISIT WE HAD THERE a couple of years ago showed so many dramatic offerings in the H.C. & E. areas, and all the rest was a very enjoyable addition to the enjoyment and memories.

TRAVEL TIP OF THE WEEK: RECENT TRAVEL PROBLEMS WE HAVE 'ENDURED' reminds us to tell you to be patient in travelling - there is a saying - 'even after your travel agent has completed all the many arrangements necessary for a safe and enjoyable trip for you, any one of 45 things can go wrong!' Having that 'person' to go to in the form of your travel agent to assist you is great, both in good and especially those not-so-good travel times!
