Match play cause of house fire

A March 16 house fire that caused about \$25,000 damage was the result of children playing with matches, fire officials say.

The children were in an upstairs bedroom of the King Street home when they lit some combustibles on fire, according to Captain Mark Cross of the Milton Fire Department.

The occupants of the home were alerted of the blaze by the smell of smoke and the sound of a smoke alarm activating.

Firefighters responded to the home at about 6:45 p.m. But by the time they arrived, the blaze was out.

One of the homeowners had put water on the fire himself, Captain Cross said.

No one was injured in the fire, which was contained to the bedroom.

But the family isn't able to stay in the home, which sustained heavy smoke damage.
