The Halton Regional Police Service has long been supported through the efforts of many Burlington citizens, who have donated their time volunteering for the Police Service. The Service would like to recognize and thank the members of the Victim Services Unit, Police Auxiliary, Citizens on Phone Patrol Neighbourhood Watch and the Community Consultation Committee, and other individuals who volunteer their time. The dedication and work performed by these people certainly enhance the services provided to the community by the Halton Regional Police.

Halton Women's Place provides the only crisis shelter services in the Region of Halton for women and their dependent children who are victims of domestic violence. Halton Women's Place is open twenty-four hours a day, seven days a week. There are two shelters, one in Milton serving Halton North, and the other in Burlington, serving Halton South. In 1999, 200 families (200 women and 229 children) stayed at Halton Women's Place. More than 1,900 crises calls were made in 1999 and Counselors at both locations fielded more than 27,000 information calls. Halton Women's Place had to turn away 243 families due to lack of space!

More than seventy active volunteers support Halton Women's Place. They fall into two categories; residential or shelter volunteers and committee volunteers. Many of these volunteers fall into both categories.

Shelter volunteers, at both locations, might help babysit the children, engage in activities with children such as story time, music and art or help to sort clothing. These volunteers work with the women by providing transportation, or they might even help to clean the shelter.

Committee volunteers include the Board of Directors, the Fund Raising Committee, the HWP Business Advisory Committee and the Planned Giving Committee.

All of these volunteers are important. Halton Women's Place would like to salute the wonderful volunteers, past and present who have made this organization a safe alternative for victims of domestic violence. The time that they take builds "A Safer Tomorrow" in partnership with Halton Women's Place. Call (905) 332-1200 ext. 242.

Place

THANK YOU!

To our many volunteers for the important contributions which they make to enhance services for victims of domestic violence.

ALLENDALE VOLUNTEERS

"HANDS ACROSS THE YEARS"

In 1999 Allendale Volunteers gave 16,000 hours of their time, talents and love to the Residents. We thank every one of them for all they do to enhance the lives of those who live at Allendale.

For Info, call 878-4141 #8025.

☆☆

Thank You

*to all of our volunteers
who share their time and talents
to enrich all of our
school communities!*

Celebrating 40 years of caring in the Community

Last year, 280 adult and youth volunteers made a significant contribution towards enhancing patient care at Milton District Hospital. This group of dedicated people contributed 12,000 hours of their time in more than 15 direct and indirect patient care services at your community hospital.

From patient care services on the chronic care unit to the sewing, knitting and plant groups, from the hair salon and hospital tours-to-bingo- which raised \$18,000 last year - our volunteers are ready, willing and waiting to lend a hand. And let's not forget the volunteers from the Foundation, those who sit on the Board of Directors for the Hospital and the Foundation, and a unique and valued group of people who provide the Pastoral Visitation program - volunteers who give freely of their time and truly make a difference.

We're proud of our many volunteers and thank them all for being an integral part of our health-care team.

If you'd like to join this dynamic group of men, women and teenagers, please call the MDH Volunteer office at 878-2383.

MS

Multiple Sclerosis Society of Canada Halton Chapter

Wishes to extend a sincere Thank You to all our dedicated volunteers who have donated many hours. You are greatly appreciated!!

Phone: 905-681-8770

Multiple Sclerosis Society of Canada Halton Chapter

Our primary goal is to support people who have MS and their families in their efforts to remain active, contributing members of our communities.

We Offer:
Information, support, financial assistance, support groups including yoga, newsletters, summer student program, advocacy, referrals to other agencies, public education, ongoing public awareness of MS.

Multiple Sclerosis:
• The most common central nervous system disease of young adults aged 20 to 50 in Canada
• More than 50,000 Canadians affected.
• More common further from the equator.
• Strikes during career and family building years, affecting family, employer, individual.
• Is unique. Symptoms vary from mild to severe.
• Is NOT contagious.
• Is NOT a mental disease.
• Is NOT preventable or curable... YET.

How important are volunteers to the CNIB? Critical. Please join us.

The Canadian National Institute for the Blind provides services to more than 90,000 children, working adults and seniors. We thank our 20,000 volunteers in every corner of Canada who enable us to go wherever and whenever we're needed.

Contact your local CNIB District Centre. (905) 275-5332
