With roots going back to 1710, the commitment we have always shared at Royal & SunAlliance stays with us as we explore new horizons. We remain wholly committed to the customers who look to us for excellence in service, accountability and a strong sense of ethics. We still hold the same trust in our people, and support them in creating success. Join Royal & SunAlliance, and explore new directions in the following role:

It's about staying on course while exploring new directions.

We offer a generous compensation package including a salary commensurate with experience, a flexible and comprehensive benefits program and the opportunity to work in an environment that both recognizes and rewards merit.

We invite you to join us at our Job Fair. Please bring your résumé with you and enjoy a tour of our call centre. Tuesday, April 25th and Wednesday, April 26th from 6 to 8 p.m., 2225 Erin Mills Pkwy., Ste. 1000. Take QEW to Erin Mills Pkwy., north to Sheridan Mall. The call centre is behind the Dominion on the 2nd level ramp but there is no sign indicating the location.

Previous applicants need not re-apply.

COME SEE US AT OUR JOB FAIR

Underwriter(s) Property, Casualty and Automobile

We have several opportunities available for individuals interested in joining our Mississauga call centre team. Ideal candidates will be logical, self-motivated professionals who have or are working towards their AIC designation and possess 2-3 years of related underwriting experience. Qualifications include strong interpersonal, organizational and computer skills, a solid customer service orientation, the ability to set priorities and follow through with promises, and a demonstrated commitment to continuous improvement. If you are accepting of change and willing to work in a structured environment that includes day and evening shifts, we'd like to hear from you.

Freightliner Mid-Ontario Inc., "The Company That Does Things Right", is one of Canada's largest Heavy Duty Truck Dealers and is continuing to grow. We are looking for highly motivated people with a lot of enthusiasm that want to join our winning team who are dedicated to customer satisfaction.

The following openings are available:

- **Parts Supervisor** (Southdown location) Job #60245
- **Afternoon Parts Person** (Southdown location) Job #60445
- **Parts Person** (Pacific Circle location) Job #60441
- **Service Advisor** (Pacific Circle) Job #60431
- **Technicians** (Pacific Circle, Southdown) Job #1440

These positions offer a competitive compensation package with an excellent benefits package. We are an equal opportunity employer, offering clean working conditions with the focus on "The Company That Does Things Right". If you would like an opportunity to be a part of this dynamic team please forward your resume in confidence to:

Human Resource Manager
Freightliner Mid-Ontario Inc.
7035 Pacific Circle, Mississauga, On

Fax: (905) 564-8292

Please indicate Job # applying for and we thank all applicants for applying but only those considered will be contacted. No phone calls or agencies please.

www.FlowerBuyer.com

MARKET LEADER IN B2B INTERNET FLOWER SALES

ACCESS FLOWER TRADING INC., (owner and operator of the websites "FlowerBuyer" and "TheAmericanClock") is looking for dynamic people to join our team in Oakville. If you are interested in the Business To Business Internet sales please see some of our current job openings:

Customer Service/Sales: These associates will instruct our existing and new clients in the use of our Internet system and will provide customer service to their entire group of clients. All this is done over the phone. Knowledge of flowers is helpful but not necessary. Internet training provided.

Clerical Support Staff: They will support the office manager in meeting the daily deadlines. Excellent computer and Internet skills plus basic knowledge of Spanish are required. Alternate working on Sat. is part of the job.

Asst. Buyer: Assisting the buyer with collecting data and buying product. Basic knowledge of flowers and **fluent in Spanish** (written and oral) is required.

Manager Quality Control: Responsible for setting up and managing quality control in all our ports of entry worldwide. Includes working with sophisticated scanning system and contact with buyers and growers. In-depth knowledge of flowers and experience is required. Entrepreneurial spirit is a must.

Logistics Manager: Responsible for all logistics worldwide. Experience with air freight and reefer transport required.

Accounts Receivable: Although we have an advanced A/R system, our client base is growing so rapidly that we need an experienced A/R person working together with the accountant.

In addition to a competitive salary, you will find an environment committed to diversity, challenge and growth. **Interested parties should fax a resume to 1-905-847-8561 or e-mail hr@theamericanclock.com** Please indicate for which position you are applying.

We regret that we will be unable to respond to each applicant. Only those selected for interviews will be contacted.

LEBLANC Ltd., a world leader in the design, manufacture and installation of communications towers and related transmission and broadcast equipment, offers unique challenges for self-motivated and energetic personnel. We are an employee owned company based in Oakville, Ontario, and have the following opportunity for a career oriented individual.

Program Management Office Supervisor

Reporting to the Director of Program Management, you will use your advanced project planning and facilitation skills to supervise the day-to-day operation of our Program Management Office. You must have at least 5 years of experience in a busy, dynamic Project Management Office environment; preferably in a steel manufacturing or a communications related setting. You have thorough knowledge of Project Management Software systems, time control/reporting software and processes, and Microsoft Office. Your primary duties will include provision and coordination of technical support for PM Software systems, preparation of various PM reports, coaching for all PM processes, and supervising the administration of the PM data repository. You will also assist with the development and maintenance of PM Policy, Procedures, Standards, Forms and Templates. Excellent communication and interpersonal skills are required.

Interested candidates, please send your resume to:
