Attention All Gardeners!

Do you have a green thumb? Do you belong to a group that would be interested in taking on a community beautification project? Situated on 10 acres of land, the Milton District Hospital gardens and grounds have become quite a challenge to maintain and we need your help. Our gardens are in need of a little work, and a lot of TLC. The Environmental Services Department of MDH would like to hear from any individual or group who might be interested in tending and maintaining one of the larger gardens. We'll provide the gardening supplies, if you'd be willing to plant, water and weed. Help us cultivate a lovely garden area at the Milton District Hospital for all to enjoy. Interested? Please call Trish Thomas at 878-2383, extension 7320.

MCHAPPY DAYS ARE HERE AGAIN!

Remember! On Tuesday, May 16th, Milton's McDonald's will donate \$1.00 from each Big Mac sold to McHappy Day. Not only will you be getting a great burger, you will also be supporting a great cause - MDH! Proceeds from the McDonald's fundraisers will be used to refurbish waiting rooms within the Hospital. These areas would become more "child friendly" and therefore make a hospital visit more enjoyable and a lot less scary for our little folks.
