

Asthma questions answered at free HHS seminar

Information on asthma will be in plentiful supply at the upcoming 'Actions 4 Asthma: Ask The Experts' hosted by Halton Healthcare Services (HHS).
The event will take place Saturday, May 6

from 10 a.m. to noon at Milton District Hospital. About 20 per cent of Canadian children are affected by asthma and up to 10 per cent of all Canadians are troubled by the condition. But the good news is the symptoms can be controlled.

The free event will begin with a short presentation by Oakville pediatrician Dr. Zeba Ansari. It will be chock-full of vital points on diagnosis, symptom prevention and treatment.
A family physician, allergist, pharmacist, res-

piratory therapist, emergency department nurse, physiotherapist and Lung Association representative will also be available for questions.
To reserve a spot at the seminar, call 338-4379.

Got Three Strikes Against You?

I love the story of a little boy who was overheard talking to himself as he strutted through the back yard, baseball cap in place, toting a bat and ball. He was heard to say, "I am the greatest hitter in the whole wide world!"

Then he tossed the ball up into the air, swung at it and missed: "Strike one!"

Undaunted, he picked up the ball and threw it up into the air proclaiming, "I am the greatest slugger ever to live!"

He swung at the ball again and missed

again: "Strike two!"

He paused a moment and examined his baseball bat carefully. Then a third time, he threw the ball into the air announcing: "I am the greatest batter in the game!"

He swung the bat hard again and missed a third time. He cried out, "Wow! Strike three! What a pitcher! I am the greatest pitcher in the whole wide world!"

A positive attitude can transform a problem into a possibility!

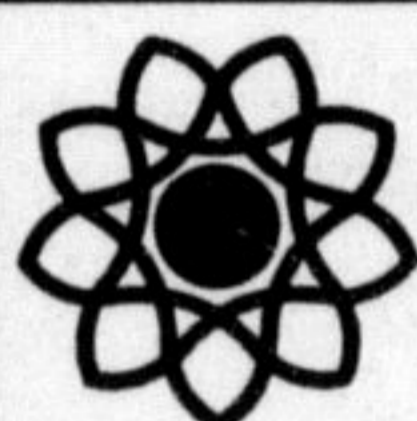

Do you struggle with an ingrained negative attitude? There is real hope for you! You can change and develop the attitude of mind which brings peace, courage and success! You can attain a winning attitude to overcome life's difficulties, win people over and turn obstacles into opportunities!

How? Philippians 2:5 records, "Have this attitude in yourselves which was also in Christ Jesus..."

Our faithful Lord left us with a perfect

example to follow. His high standard, as documented in the Holy Bible, was not given to frustrate us but to reveal areas in our lives that require improvement.

Do you need an attitude adjustment? Decide today to discover more about the attitude of Christ and how you can possess the same inner strength by attending a local church this weekend. Service times and locations are published in the directory below.

BAHA'I

O SON OF MAN

Breathe not the sins of others so long as thou art thyself a sinner. Shouldst thou transgress this command, accursed wouldst thou be, and to this I bear witness.
