Duck Handler Tru

"This is a dark, dark day in the world of artistic duck hand

BY CHRIS DAVIE

TORONTO - In a bizarre of events, local duck ha Gladys Bacik went m yesterday. Ms. Bacik known as "The Funky" to waterfowl advoca other duck-industry sionals, just "up and fi of here," according to time friend and appre Irfan Khan. Irfan hasn't his master since.

Other eyewitnesses have failed to shed light on the disaster, but there is hope. A late '70's model Pacer was seen heading north on the 427 yesterday. Among the myriad of bumper stickers on the vehicle were one that read "ake for North York 'andrakes" and another that read "sed a quack."
