

HIGH SCHOOL REPORT

Diana Bedoya

ROYAL REPORT BISHOP REDING HIGH SCHOOL

Justin Yantho

Royal Report By Diana Bedoya & Justin Yantho

Although the weather is misleading, summer is rapidly approaching and students at Bishop Reding are anxiously awaiting their impending holidays.

The environmental club made efforts to improve our school climate by thoroughly cleaning the outside of the school. On Monday, many students helped in this project and our school is more earth friendly because of them. The newly enriched quality of the Student Square will be especially welcomed during the Carnival, which will occur on the 26 of May. This event will boast many exciting events for all students in which to partake. Volunteers are still required and the very affordable fee of three dollars will also afford students a hamburger and a cold beverage. Morning activities that will serve as a precursor to the event will begin next Friday.

The OAC Writer's craft class, as well as the grade ten drama class were able to further enrich their minds in a different venue on Wednesday, as they attended the play "The Importance of Being Earnest" in Stratford. The witty Oscar Wilde play served as an excellent opportunity for students to understand the importance of being educated. Other students had the opportunity to display their natural talent at the weeklong mini-enrichment program hosted by Queen's University. The annual Bell Canada award is granted upon a student who shows academic excellence, in addition to extra-curricular activities and community service. A Bishop Reding student was awarded this honour, being selected from a group of 1200 students from across Canada and the United States. Congratulations to Peter Lehman who has shown his excellence throughout his high school career and incurred honour and respect.

Bishop Reding Sports enthusiasts are pleased at the success of our athletes this season. At the first day of the G.H.A.C. track meet held at Nelson on Monday, two very talented students took first place honours. Congratulations to Meghan Ames who excelled in the midget girls' 400-meter race. Michelle Doell also had a very victorious day, claiming first in the junior girls' 1500-meter as well as second in the 400-meter race. Crystal Morra and Anna Gori further showed their high levels of athletic accomplishment, placing third in the 300-meter hurdles and fourth in the triple jump respectively. The girls' Softball team achieved a hard fought victory over Lester B. Pearson this week, with a 10-9 score. The senior girls' soccer team had their season regrettably cut short after a hard fought loss against Lester B. Pearson. The game was determined in a shootout and unfortunately left the girls one spot away from a playoff position. The junior boys' soccer team ended their undefeated season with an amazing final game. They beat M.M. Robinson 8-0 to claim first place in the regular season. The excellent teamwork throughout the season has proved beneficial and the stellar goaltending of Alen Lorenzo ensured their top honours, as he only allowed one goal in the entire season. Congratulations to all Bishop Reding athletes on your excellence.

As the school year rapidly nears completion, it is important to reflect upon past events. Students must remember the impact that their past and future actions will have on their life. We have all made substantial steps in our lives. We have all been "Looking for a place to happen, making stops along the way". Gordon Downie.

DATELINE DRURY AT E.C. DRURY HIGH SCHOOL

Dateline Drury

By Candice Hugo, Sarah Hamilton, Kristyn DiGirolamo

The warm weather is proof that the school year is quickly coming to a close yet there is still lots of work to be done by students and teachers alike. However, everyone at Drury is still managing to have lots of fun despite busy schedules. In high spirits, Drury was a bustling place this week as students excelled in activities ranging from music to sports.

Emily Boycott deserves a big applaud as she successfully proved her athletic ability in the Special Olympics. Emily received three golds and two silvers for Breaststroke. Well done Emily, your hard work makes Drury proud!

A group of girls who are working very hard is the girl's softball team, which is tied for first place with Georgetown. All at Drury are keenly waiting to find out how the girls will do in their upcoming games and want to let them know that they should be very proud of themselves. Great job girls! Your hard work and energy has paid off!

Music energy filled the hallways on Wednesday during TAG as the students enjoyed a Lip-synch contest. Thanks goes to Brandy who helped make the day a success and to Sarah who videotaped the performances. Also, a giant congratulations goes to Amber, Emily, Lee, Joanne and B.J. who placed second after performing to a song by the Backstreet Boys. Well done! it was an exciting event allowing students to show off their stuff proving that Drury has numerous talented stars!

All those talented performers who can dance, act or sing are encouraged to talk to Mr. Keane regarding performing at The Literary Coffee House next Wednesday evening. This fantastic event includes poetry readings, essay readings, singing, dancing and much more. If anyone is interested in submitting a piece you are encouraged to hand it in to the office or to an English teacher. This evening promises to be spectacular and all students are encouraged to come out and watch!

All students are also encouraged to come and support the first annual Energy Challenge Day on Tuesday, May 30th. This day event is similar to the Special Olympics and will involve the Life Skills students from Drury and other schools as well as the Deaf school will be joining. The events including running, tossing contests, etc. are to be held behind the sports building from 10 to 12 and will be followed by a free barbecue for all who participate. On behalf of the organizers we would like to thank Maple Lodge Farms for their kindness in sponsoring the barbecue. This day sounds very exciting and everyone should try to make an effort to come out and cheer on our peers.

As this edition of Dateline Drury comes to an end we would like to remind everyone that exams are approaching very soon and schedules are out so be sure to pick them up in the office. Just a reminder that progress reports are being distributed this week so check the mailbox before your parents do.

Thanks for reading.

Have a fun filled weekend in the sun!

GRADE "A" NEWS AT MILTON DISTRICT HIGH SCHOOL

Marissa Cheskey

Grade "A" News at MDHS By Jacqueline Bass and Marissa Cheskey

It has been a rather cool spring week here at M.D. We hope that all the Moms out there had a wonderful Mother's Day and were waited on hand and foot by their families. Some of the special Moms may have received a Pampered Chef cookbook called "Recipes from the Heart." Community Council has been selling these cookbooks filled with tantalizing recipes at M.D. for only \$12! The cookbooks are still available at this low price and make a great gift for Father's Day, a shower or a moving gift just to mention a few. If you know someone with a flair for cooking, this is your chance to score a homemade meal. Order forms are available in the main office or you can call Mrs. Gregory at the school. Proceeds from this fund-raiser will support Community Council in their effort to raise enough money for bleachers for M.D.'s sports field.

On Wednesday, May 17th during period 3, The Tony Hawk Pro-Skater Tournament took place. Students could compete in this event for only \$2.00. Other less daring students could watch the M.D. skaters for only \$1.00. We would like to thank various skateboarding shops in Milton, including Boardtopia, for prizes donated for the tournament.

On Monday and Tuesday, grade 8 tours took place at M.D.H.S. Grade 8 students from the local feeder schools came to have their first tour of M.D. This can be pretty intimidating seeing as the possibility of getting lost seems imminent. Prefects helped to lead these tours and the cheerleaders gave the grade 8's an extra-special welcome.

While on the subject of cheerleaders, we would like to congratulate them on a great season. The girls placed 10th out of 30 teams at the provincials. Mrs. O'Reilly was a great help to the team and the girls had a good season filled with fun and spirit.

On Thursday morning, the Boardtopia fashion show came to M.D.H.S. Students modeled spring and summer fashions for the students attending the show during period 2. Students could attend this show for only \$2.00. The money raised from the fashion show will go to the Fresh Air Fund to give underprivileged children the opportunity to go to camp. The Fashion Show featured the music of the band Glo and the D.J. mixing of Aaron Rendy. Thanks to everyone for a great show.

Just a reminder to graduating students to please check the lists posted around the school. If your name's not there, see Mrs. Schofield in the Guidance Office.

Lastly, we would like to applaud all the volunteers who canvassed local neighbourhoods for the Red Shield Appeal. We managed to raise \$631.00!

We hope everyone has a terrific long weekend and if you're heading to the beach we hope the weather is summerific!

YOUNG DRIVERS®: What every driving course should be!

Maybe it's because Young Drivers has *thirty years* of experience teaching collision avoidance.
And over *half a million graduates*, coast to coast.
And *more than a million dollars* invested in driver training research, plus *another million* invested in annual recertification programs for

our instructors over the past 10 years.

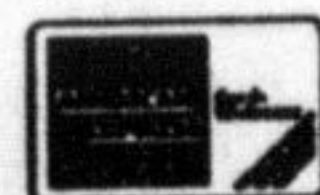

And has achieved Registration to the coveted *ISO 9001 Quality Assurance Management Standard.*

No matter *what* they say, no one else is *anything* like Young Drivers!

2 WEEKENDS
June 3 & 4, June 10 & 11 (9 a.m. to 3:45 p.m.)

4 DAY COURSE
July 4, 5, 6, 7 (9 a.m. to 3:45 p.m.)

875-0480
