

# Turner takes ninth spot in triple jump at OFSAA

Shawna Turner triple jumped her way to a ninth-place finish at OFSAA Friday.

Milton's lone provincial track and field representative — competing in the senior girls division — was a little off her Southern Regional winning mark of 11.10 metres, reaching just 10.90m and being bumped from the event finals by the slightest of margins at Lasalle's Sandwich High School.

The Milton District Mustang's top 10 finish came in an extremely competitive field, in which the overall winner — Colleen Ramharak of Oakwood — set a new national record with a leap of 12.25m.

"My placing was okay, but I was hoping to jump a little better," said 18-year-old Turner. "But I guess there's always next year."

Turner's best triple jump remains an 11.23m, which she posted two years ago at the provincials — when she took fifth among junior girls.

### Golden girl

Brookville's Jamie Greenfield proved to be a triple threat at Thursday's Collier Track and Field Meet at Nelson Stadium in Burlington.

The junior girls competitor outshone her competitors in three separate events — winning the 400m (1.11.54), and 1,500m (5:46.46) races as well as the triple jump (7.80m).

Fellow Bengal Karen Doering was a double gold medalist among the senior girls. She handily won the long jump with a

3.79m leap and took top spot in the triple jump with an 8.46m performance.

Gold, silver and bronze rained down for intermediate male Bengal Andrew Basso. His efforts in the long jump (4.50m), 200m (28.58) and high jump (1.40m) were good enough for first, second and third respectively.

Senior boys competitor Fraser McGaffin won the 800m in 2:38.67 and secured silver in the shot-put, hurling the sphere 10.20m.

Brookville's other multi-medal winner was intermediate girls representative Sarah Christnik. She narrowly won the high jump with a 1.25m showing and leapt 3.51m in the long jump for third place.
