

# Dancers showered with medals

Gold, silver and bronze rained down for members of Milton's Dance Shoppe recently during a series of spring competitions.

In total, the local group delivered 147 medal-winning performances at the four events — held in Barrie, St. Catharines, Vaughan and Niagara Falls, NY.

Along the way, the Dance Shoppe secured several special awards.

Michelle McArthur was first overall at both Barrie and Niagara Falls for her stage solo of 'Donald, Where's Your Trousers?'. She also took the adjudicator's choice award at all four events.

Also in Barrie, Laurie Cameron and Kelsey Corradetti each struck silver — for tap and jazz solos respectively.

Third overall in jazz solo at Niagara Falls was Laura Coulson.

Meanwhile, Milton's dance company also stood out with some collective efforts in Niagara Falls.

The petite small group won the tap division for their rendition of 'Hit The Road Jack' and placed second in ballet with 'Enchanted Garden'.

Bringing home three medals was the junior small group. Their best efforts were reserved for tap — in which they stole the show with 'Go Daddy O'.

# Glo on the move

• from GLO on page 25

counts Finger Eleven as one of his influences. "It was a really good experience for us. It gave us lots of publicity."

This week has been a busy one for the band by anyone's standards. Revved up from playing Playdium on Saturday, Glo launched itself into an all-out battle of the bands contest Wednesday at E.C. Drury High School.

And an outdoor promotional gig is scheduled for today on the soccer field at the Williams Avenue school.

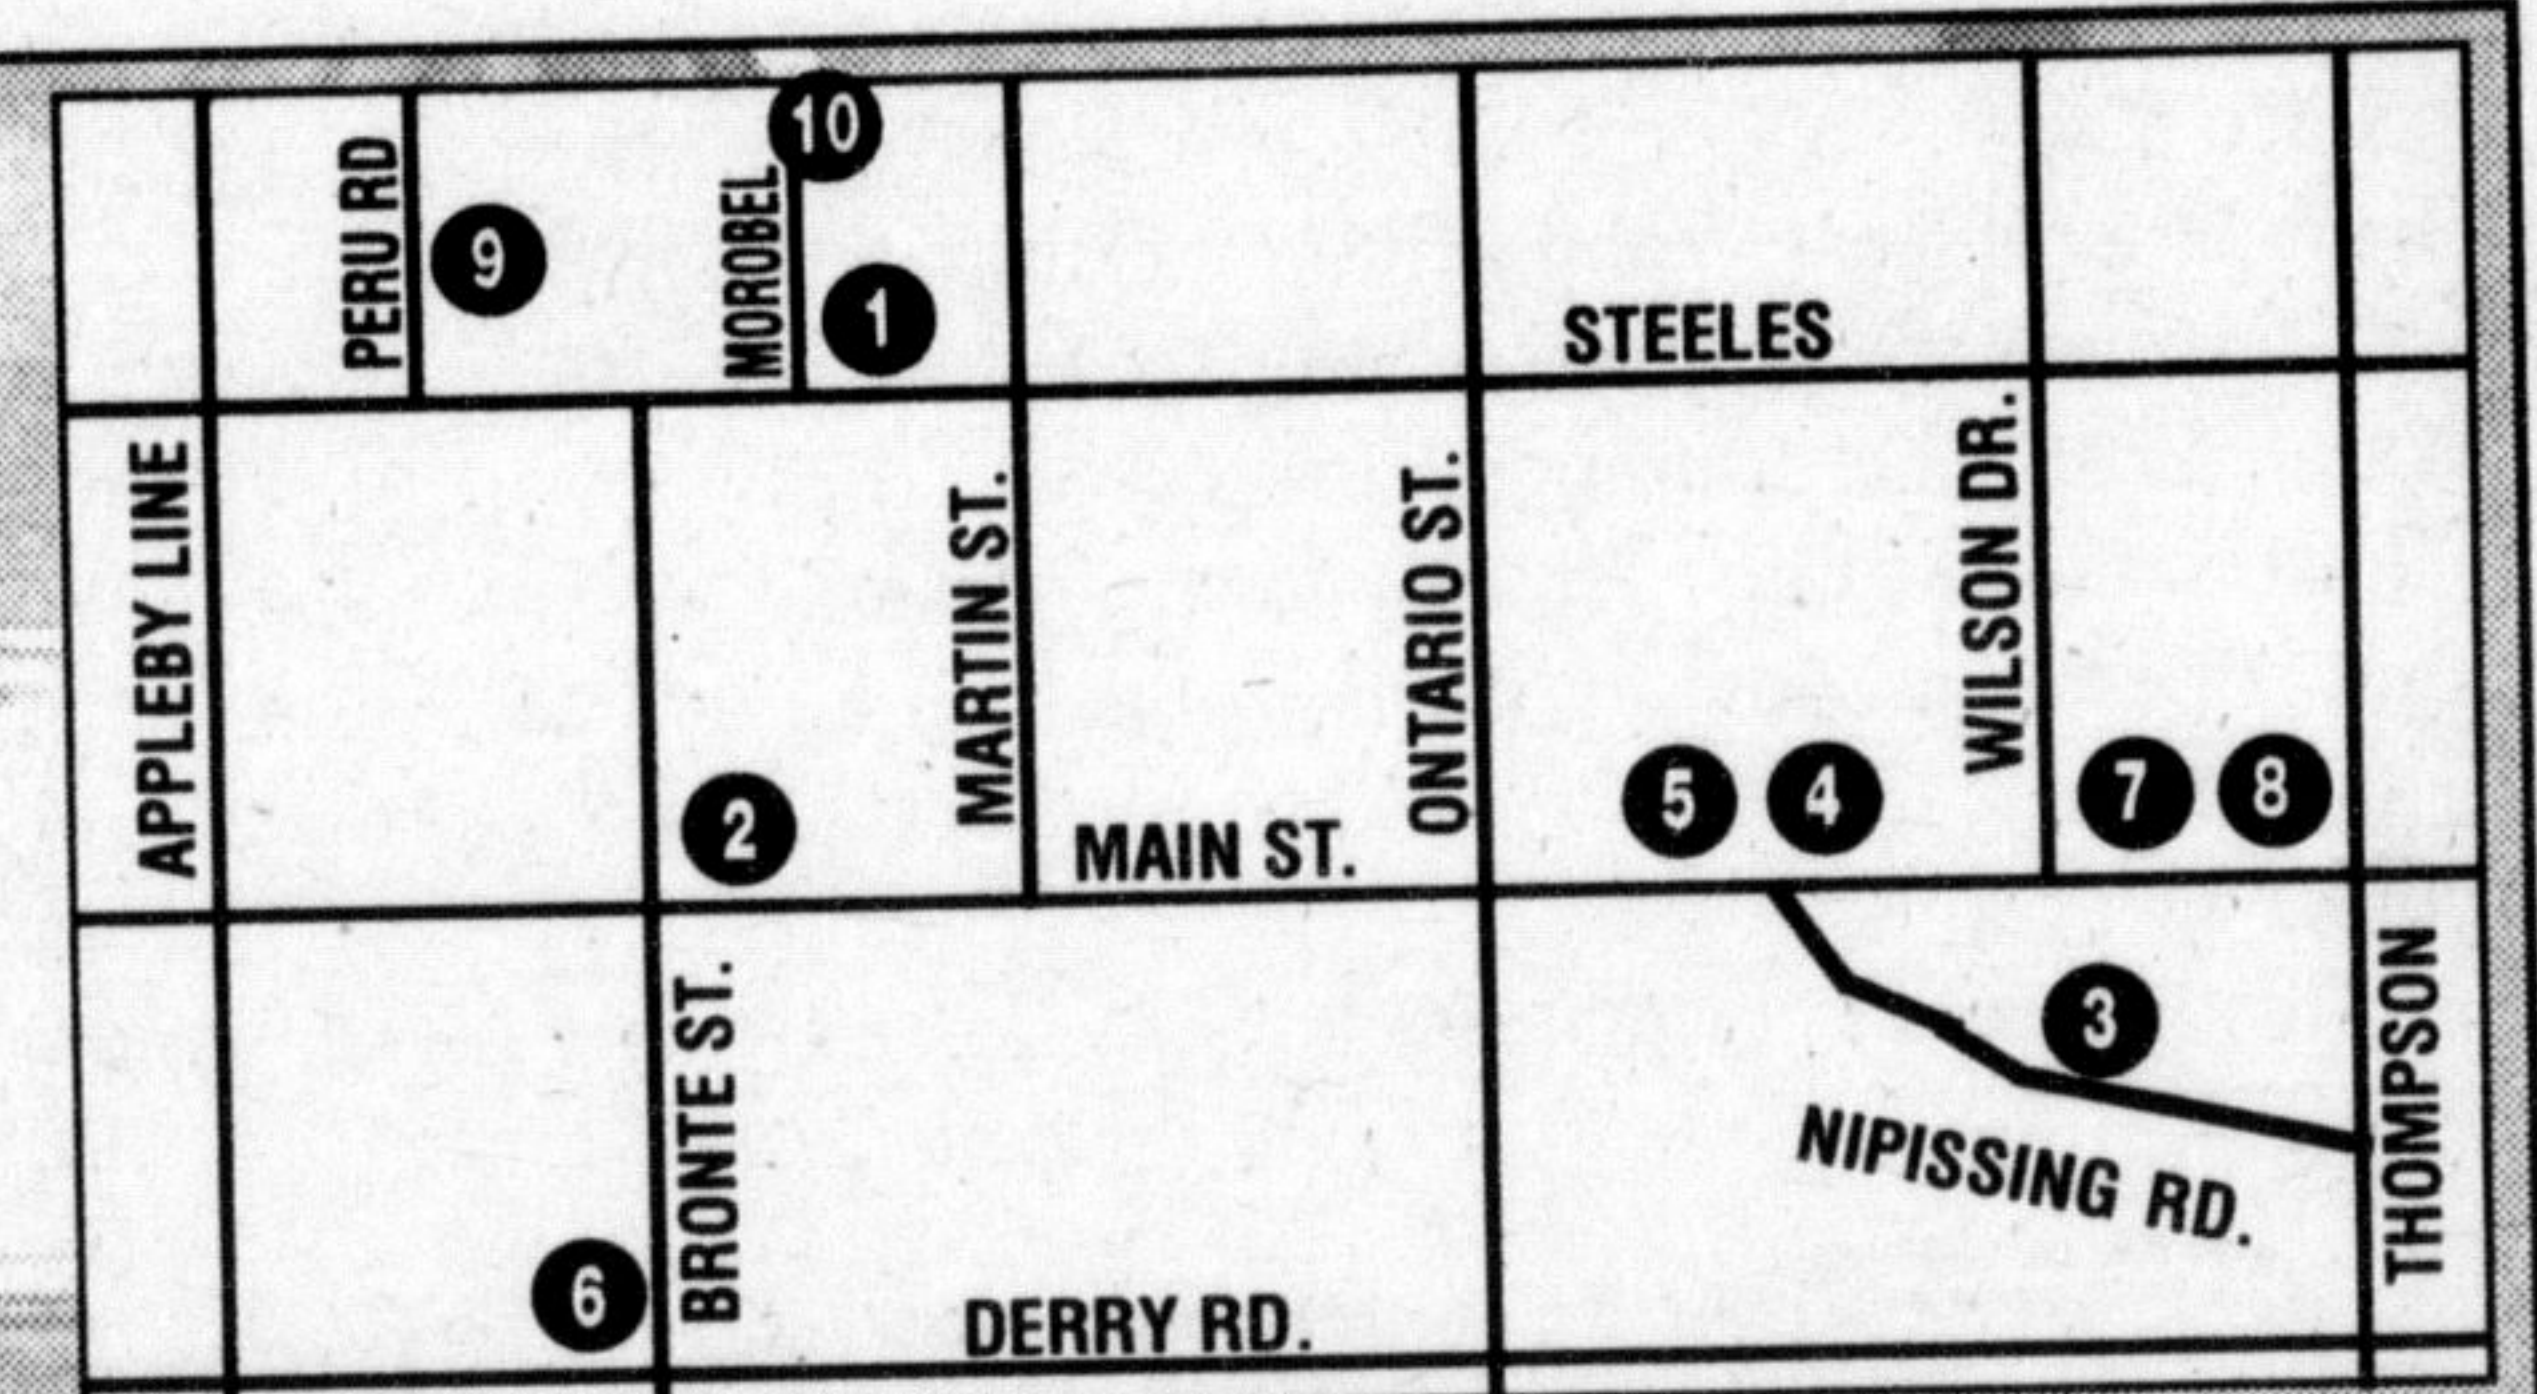

That's all right by Glo, which is itching to take it all on. "Our live show is one of our key strengths," said Jeremy. "It gives you such a rush of adrenaline."

Rounding out the band are bass player Mike Neath, 18, lead guitarist Tyler Stuart, 17 and singer/rhythm guitarist Jordan Grenke, 16.

Going head-to-head in a host of battle of the band events has been good to Glo. Already, they've won 43 hours of recording time at Toronto's Iguana recording studio. That's just enough to lay down about four tracks for a demo CD that will soon be shipped out to record labels in the hope of tying down a record deal.
