**GERANIUM 'SPINNERS'**  
NEW FOR 2001

The border selection of Cranesbill are valuable fillers for colour in early to mid-summer. This long flowering new selection makes an outstanding show of large, deep purple-blue flowers, over a bushy mound of green leaves. Grows into a 2-2.5 foot mound in full sun/part shade, trim plants back by half when flowers are finished.

**Great Container Gardening Starts In The Pot!**

**Adam Bainbridge  
Greenhouse Grower**

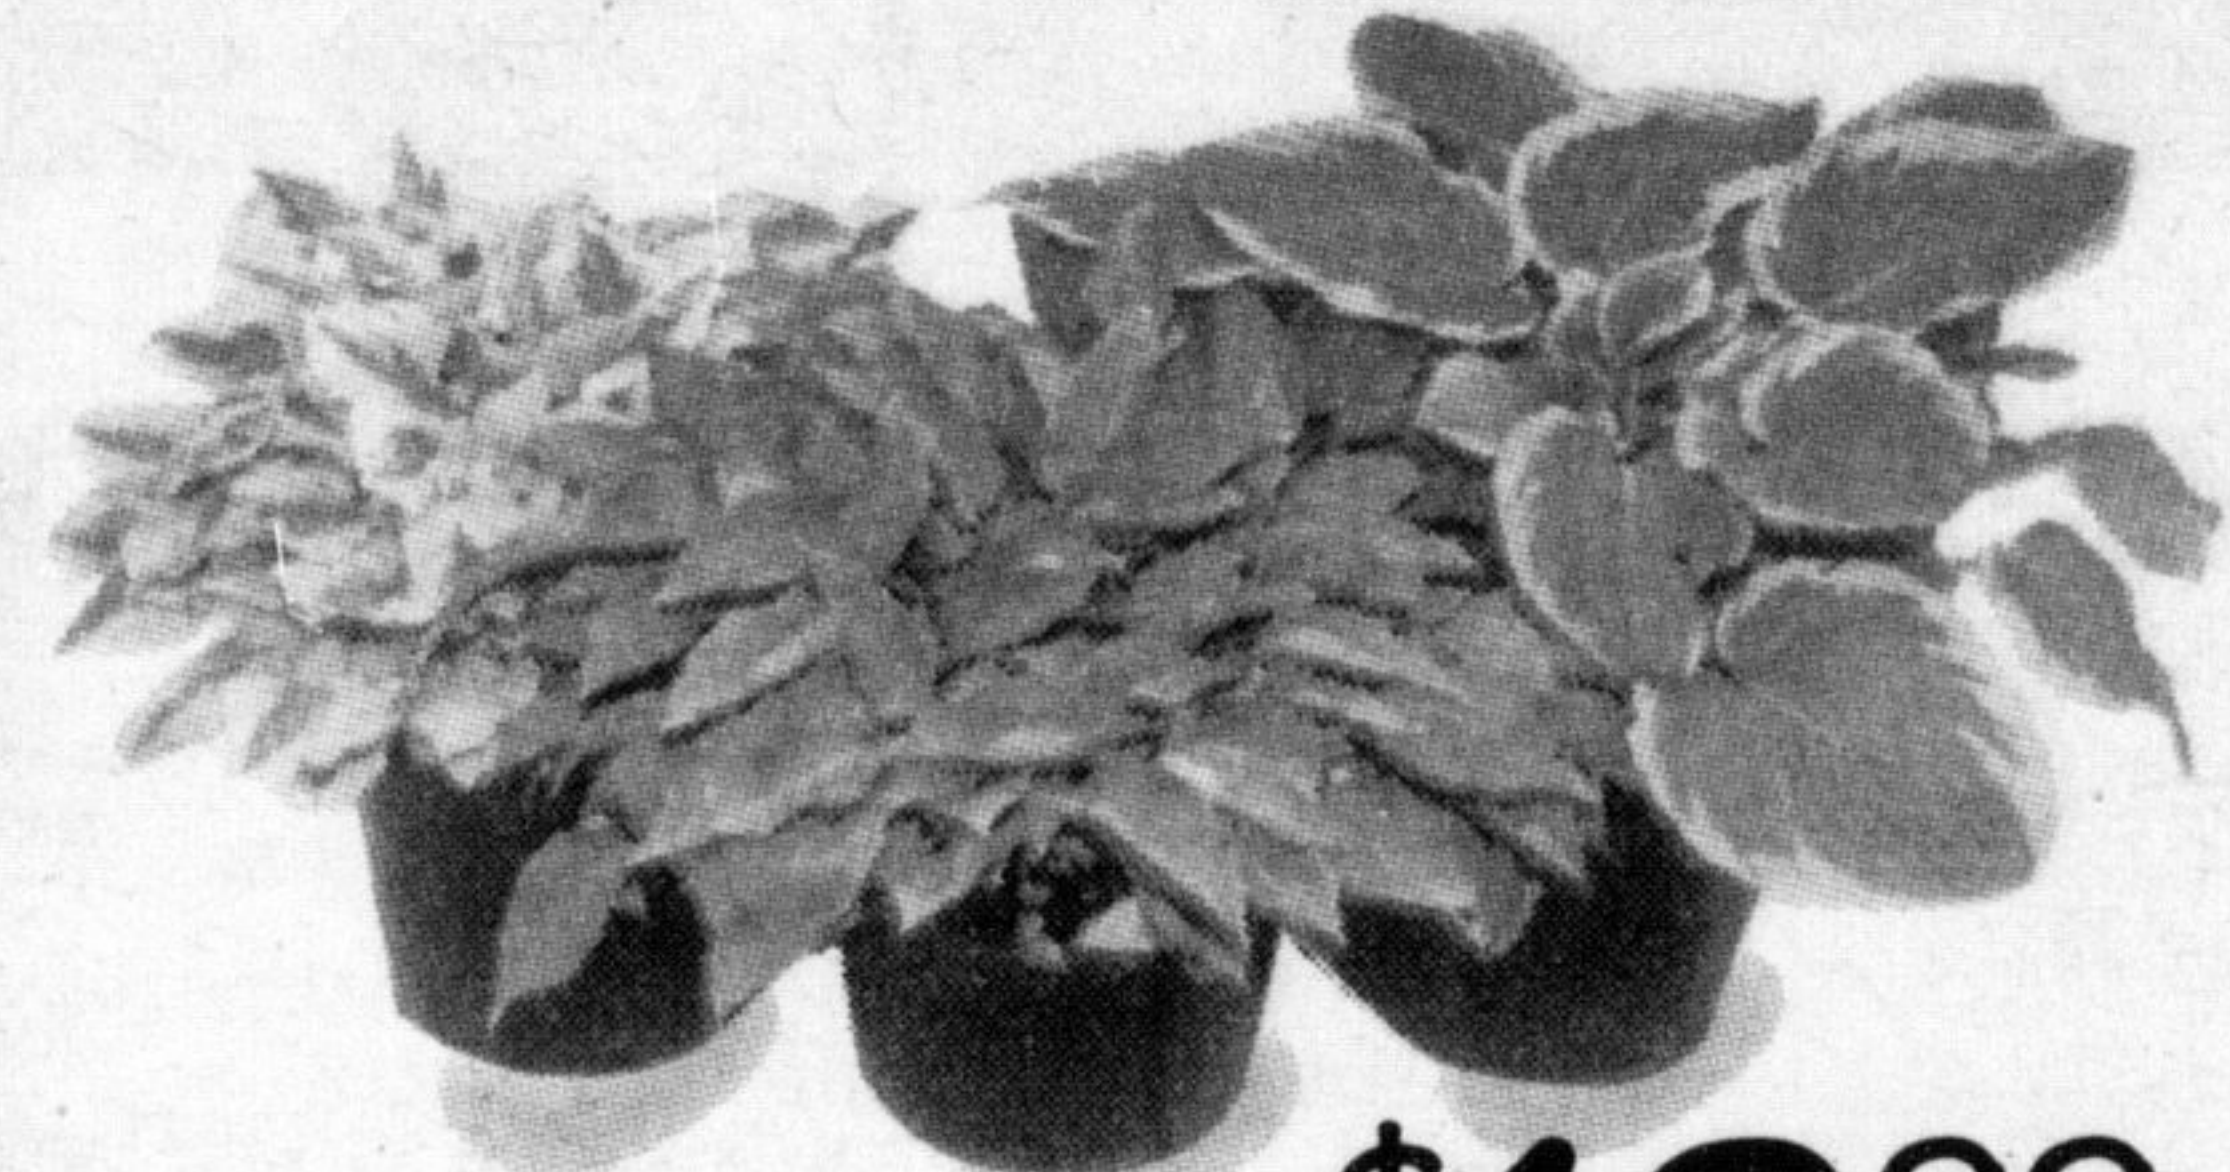

Often gardeners use soil from the garden to fill their planters and window boxes and wonder why their plants don't perform. The reason is the garden soil compacts too tightly in the container not allowing the roots to flourish. Terra has great container soil mixes that are light, but hold moisture and will drain if over-watered.
