## Local army cadets keeping very busy

The Milton Army Cadets got their feet wet courtesy of Whitewater Tours over the Victoria Day weekend.

About 20 cadets from the 2990 Lorne Scots Corp in Milton learned leadership and teamwork on a whitewater rafting adventure in the nation's capital.

And soon 10 cadets and two officers will be off to Holland to take part in a four-day, 160 km march.

The specially-chosen cadets will participate for the first time in a march designed for regular troops from around the world, including NATO allies.

Back at home, the cadets will be found all over town, lending a hand with upcoming summer events such as the Optimist Club's Annual Fishing Derby for handicapped kids, the Scottish Festival, and Canada Day celebrations.
