What Am I?

show many faces that can change instantly.
It seems there's always someone peering back at me.
I'm smooth as glass and thin besides;
When you look at me, there's nothing to hide.
What am I?

1. My first letter is in mountain but not fountain.
2. My second letter is in life and wink.
3. My third letter is in leader and rhythm.
4. My fourth letter is in row but not sow.
5. My fifth letter is in onion and book twice.
6. My sixth letter is in horse rake and rich.
