General Maintenance Mechanic - Streetsville

Canada's largest brick manufacturer has an opportunity in its Maintenance Department for a team-oriented individual with strong troubleshooting skills and a keen eye for improving preventative maintenance techniques.

Reporting to the Lead Hand Mechanic, you will complete necessary repairs and maintenance, provide troubleshooting expertise of all mechanical systems, and also maintain the plant air, water and gas systems. Ideally a college graduate, you are a certified Millwright with one to two years of experience in an industrial environment. Thorough knowledge of all types of mechanical conveying systems is essential, as is basic knowledge of hydraulic and pneumatic systems. Familiarity with pipefitting, welding and plumbing is required as is experience reading blueprints and schematics.

Join our team of hard-working professionals today! Interested and qualified candidates are invited to fax their resumes and salary expectations to: **Laurene Payne, Recruitment Mgr at 905-821-2754 Email: lpayne@canadabrick.com**
