THE CANADIAN CHAMPION

Please allow me to express a million thank yous

Dear Editor:

Last week I was joined by some 450 people to celebrate 25 years of recording and performing for charity and the launch of my 12th recording, 'The Bridge To Us All'.

The nature of any bridge is to assist us over difficult valleys to new hopeful lands.

Over the past 25 years, hundreds of thousands of individuals in Canada and the United States have assisted me in building a musical bridge of hope, faith and love through their friendship and support of my music ministry.

Through the sales of recordings

and concerts our musical journey of love has raised awareness and funds totalling more than a million dollars for numerous charities throughout the world.

To build a strong, powerful and successful bridge, one needs tools, supplies and hard workers.

Over the past quarter century, our musical ministry has been supplied with great musicians, volunteers, sponsors, promoters, venues and enthusiastic audiences, which have made the construction a lot easier.

For this, I wish to express a million thank yous to my family,

friends, parishioners, clergy, and supporters throughout the country, especially the community of Milton for its support in building this bridge of hope.

Finally, a word of thanks to our supervisor in this building project, Our Lord, who has supervised and guided our project every step of the way.

May his gift of song in my heart inspire, renew and encourage your journey in loving each other and the Lord, who is The Bridge To Us All.
