

Christoforou and Sand Oils Dexter stage remarkable rally at Mohawk

By SANDRA SNYDER
Special to The Champion

The cold and wet weather did not dampen the performance of Ontario's top three-year-old pacing colts at Campbellville's Mohawk Racetrack Saturday night.

Competing in their last Gold Series Eliminations, the colts were attempting to advance to the \$100,000 Gold Final this coming weekend and pad their point totals enough to secure one of 10 spots in the \$250,000 Super Final on November 4.

Reigning Gold Final winner Sand Oils Dexter retained his position as the division's top dog for one more week with a 1:53.2 score in the ninth race.

Major ground to make up

Milton driver Chris Christoforou settled the colt in fourth from post four and was 17 lengths off the pace at one point, before sweeping by the pacesetters in the stretch.

"I know they were going fast up front so I

wasn't concerned about being so far back at the half," said Christoforou.

"Around the last turn he started to kick in and I was confident he would get there."

Trainer Daryl Roberts of London shares ownership on the division leader with John Kwiatkoski of London and Petrina Lawrence of Madison, Michigan.

The partners have banked \$257,442 on behalf of the Dexter Nukes son, who cost them \$11,500 at the 1998 Forest City yearling sale.

Model of consistency

This season the consistent colt has registered nine wins, three seconds and two thirds from 19 starts.

"We call him the Survivor," quipped Roberts. "He's the best of what's left, he out survived the rest of them."

Fish My Pal finished one length back in second and Cambaran was three lengths to the rear in third.

Also advancing to the \$100,000 Gold Final were the fourth and fifth-place finishers Smoke Signal and Camluckstar.

The other Elimination went to last year's division champ Intrepid Seelster in 1:53.3.

Miltonian Steve Condren steered the colt from post nine, overcoming early interference to make their way up the outside to the one-and-a-half length victory over pacesetter Kounty Cam.

Third place for newcomer

First time Ontario Sires Stakes starter Fly Away Sam picked up the third-place finisher's share.

"He raced well for going first over.

"I knew they were going hard on the hammer so there was no hurry trying to clear to the front," said Condren, who drove the colt through much of his two-year-old season.

"He went a big mile tonight despite the rough weather conditions, he's a tough horse. It felt good to sit in behind him again."

Trainer Bob McIntosh of Windsor owns the winner of \$477,178 with Don MacDonald of Amherstburg and CSX Stables of Liberty Center, Ohio.

Donven Devious and Stonebridge Prize rounded out the finalists for the \$100,000 event this Saturday evening.

Junior 'Stangs win big

Back to full strength, and back on track.

That was the story for Milton District High School's (MD) junior football team during exhibition play at home last Thursday.

The Mustangs got all of their players back from injury — including starting quarterback Ryan Page — and used their bolstered ranks to upstage Toronto's Senator O'Connor 24-12.

MD lifted its efforts over a regular-season opening loss the week before and handled their big city Catholic guests pretty much the entire way — or at least until the verdict had already been decided.

Defensively, the hometown boys were exceptional and held the opposition in check well into the third quarter. A number of standout performances were delivered, but the first star clearly had to go to inside linebacker Lee Frittenburg — who made countless tackles and single-handedly thwarted Senator O'Connor at crucial points in the afternoon clash.

"He (Frittenburg) was a dominant force out there," said head coach Richard Grant.

Also offering dynamite defense were Neil Lambrick, James McIntosh and Matt

MacLennan — who recovered a fumble and ran it down to the six-yard line to set up the Mustangs' second major.

Carrying the ball the rest of the way — as he did on touchdown number one, following a 30-yard bootleg by Page — was running back Brandon Byers.

Page would record the winning TD on a third-quarter scramble, capping a drive highlighted by Frittenburg's 75-yard run, before the visitors broke the shutout.

From there, Lambrick returned Senator O'Connor's kick-off 65 yards for the touchdown to quash their meager hopes for a comeback. The Toronto-based school then managed to score once more, which served only to make the final tally a little more respectable.

MD finished exhibition play without any injuries. That plus the decisive victory no doubt fueled the team's confidence heading into yesterday afternoon's away game at Oakville's St. Thomas Aquinas.

They are at Oakville's Q.E. Park next Thursday before finishing the regular season October 26 at home against Burlington's Lord Elgin.

BY-LAW NOTICE

FORM 1

PLANNING ACT

NOTICE OF THE PASSING

OF ZONING BY-LAWS BY

THE CORPORATION OF THE CITY OF MISSISSAUGA

TAKE NOTICE that the Council of the Corporation of the City of Mississauga passed By-law 0476-2000 on the 27th day of September, 2000, under Section 34 of the Planning Act R.S.O., 1990, c.P.13, as amended.

AND TAKE NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect of the By-law by filing with the Clerk of the City of Mississauga not later than the 31st day of October, 2000, a notice of appeal setting out the objection to the By-law and the reasons in support of the objection, together with a cheque in the amount of \$125.00 payable to the Minister of Finance.

Only individuals, corporations and public bodies may appeal a Zoning By-law to the Ontario Municipal Board. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or group on its behalf.

Explanation of the purpose and effect of the by-law:

One of the provisions of By-law 0026-2000, being a by-law to amend By-law 5500, is to revise Schedules to reflect the current road alignments and right-of-way widths for the purposes of establishing setbacks from the various roads. By-law 0026-2000 contained a mapping error which identified the right-of-way width for Tenth Line West, between Argenta Road and Britannia Road West as 40 metres, whereas it should have referred to 30 metres. By-law 0476-2000 corrects this mapping error.

Location of the Lands Affected

Tenth Line West between Argenta Road and Britannia Road West.

Further information regarding this By-law may be obtained from Ron Versteegen (905) 896-5728 of the Planning and Building Department.

Dated at Mississauga this 11th day of October, 2000.

Arthur D. Grannum

10 Ways to Save Money When Buying a New Home

MILTON - Although most homes for sale are resales, one out of four homebuyers purchases a new home. Which is better: existing or new? The right answer, of course, is up to you. Both resales and new homes offer advantages. Existing homes are less expensive on average, and are generally closer to, and enjoy the warmth and surroundings of, established neighbourhoods often with mature landscaping.

New homes, on the other hand, offer innovative use of space, greater energy efficiency, and choices of options and upgrades. Everything is new and modern.

Most people consider both new and existing homes before they

Advertorial

decide to purchase.

A new special insider report entitled "New Homes - 10 Tips to Save You Time and Money" has just been released which identifies 10 invaluable tips to save you time and money when purchasing a brand new home. Also revealed are little-known buyer advantages that most builders may not tell you.

To learn more about what you should be aware of before you visit your first model home, call for a free report today.
