Whose Hands Is It In???

"My sheep listen to my voice; I know them, and they follow me. I give them eternal life, and they shall never perish; no one can snatch them out of my hand." John 10:27-28

A basketball in my hands is worth about \$19. A basketball in Michael Jordan's hands is worth about \$33 million. It depends whose hands it's in!

A baseball bat in my hands is worth about \$50. A baseball bat in Mark McGuire's hands is worth about \$19 million. It depends whose hands it's in!

A tennis racket in my hands is not worth much. A tennis racket in Pete Sampras' hands is a Wimbledon Championship. It depends whose hands it's in!

A walking staff or rod, in my hands will keep away a wild animal.

That same staff or rod, in Moses' hands will part the mighty sea. It depends whose hands it's in!

A sling shot in my hands is a child's toy.

A sling shot in David's hand is a powerful weapon. It depends whose hands it's in!

Two fish and five loaves of bread in my hands is a couple of sandwiches.

Two fish and five loaves of bread in Jesus' hands will feed thousands. It depends whose hands they are in!

Nails in my hands might bring about a roughed-in closet.

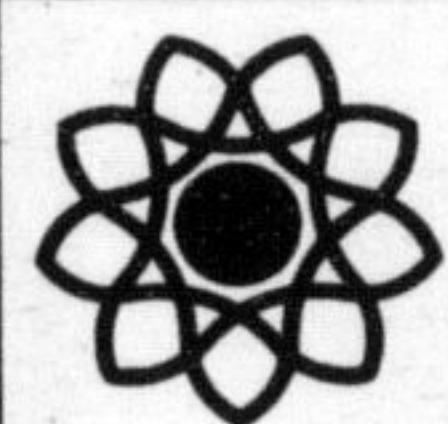

Nails in Jesus Christ's hands will produce

salvation for the entire world. It depends whose hands it's in!

As you see, it depends whose hands it's in. So, put your concerns, your worries, your fears, your hopes, your dreams, your families and your relationships in God's hands because it depends whose hands it's in.

Consider visiting a local church this week and take the first step towards reaching your personal potential! Come and cast all your cares upon the One who cares for you! Make an appointment to speak with the Pastor... he is there to help you and to coach you along in the game of life!
