Our Commitment Goes a Long Way.

Warranty coverage is an important part of the ownership experience. DaimlerChrysler Canada's 2001 warranty is designed to be simple and straightforward, while providing coverage that meets the needs of Canadian drivers. It's this simple — basic coverage is for 3 years or 60,000 kilometres,* which includes rust-through coverage for all body sheet metal for 3 years, plus powertrain coverage for 5 years or 100,000 kilometres.* In addition, DaimlerChrysler Canada will provide a 24-hour roadside assistance plan for 5 years or 100,000 kilometres.* Combine this level of protection with our Five Star philosophy and it's easy to see that your Chrysler, Dodge, Jeep retailer is committed to providing the most satisfying buying and servicing experience in the business.
