Are You Doing Too Much?

Some people seem to thrive in the fast lane, but trying to do too much can lead to insomnia, headaches and stress. Here are a few tips on how to slow down and take care of yourself:

- Take time to enjoy friends and share intimate time with family members.
- Take a warm bath, go for a run or take a power nap. Find relaxers that work for you.
- Learn how to say "no" to new projects without feeling guilty.
- Give yourself extra time to get to appointments.
