

Truck crashes through school fence in pursuit

A 33-year-old Milton man faces numerous charges following a high-speed police chase in town Saturday.

Shortly after midnight, officers spotted two vehicles being driven erratically along Martin Street — at which time the motorists sped off and split up upon reaching Ontario Street.

Police pursued one of the drivers — behind the wheel of a grey Mazda pick-up truck — who took them on a two-minute misadventure through a number of residential streets.

During the pursuit, the driver made a u-turn on Ontario Street and struck one of the police cruisers' front fenders, causing roughly \$1,000 damage.

The driver was apprehended shortly after crashing through a fence at Sam Sherratt School, but not before fleeing the truck and prolonging the chase on foot.

The suspect faces counts of dangerous driving, failure to remain and mischief.

Police are still looking for the other driver and anyone with information about the incident is asked to call 878-5511.
