

✓ Face-lift

Milton's McKersie-Kocher Funeral Home is currently undergoing an extensive renovation at its 114 Main St. location. The expansion will include a new area for a chapel as well as a large reception/lounge area. The addition will also include an elevator, making the entire facility wheelchair accessible.

BREAKFAST FOR LEARNING

A volunteer, non-profit program that helps make sure kids get the nutrients they need. J.M.Denyes Public School has taken that program and adapted it to its own needs. Unable to provide consistent breakfasts to its students because of the varying bus arrival times, School Council Chairman Brenda Pickering and her band of volunteers offer a healthy snack to all students and teachers three mornings a week.

The students at J.M.Denyes Public School would like to give a great big thank-you to the following companies for their generous donations:

- THE GREAT CANADIAN BAGEL
- LOBLAWS
- LA ROSA BAKERY
- MINUTE MAID
- PAMPERED CHEF
- J.K. POOLS & PATIO
- WENDY'S

And to all the volunteers for their time and help.
