WE'RE MOVING TO MILTON!
 Due to increased volume in business, Cutler-Hammer, a leader in the design, manufacturing, marketing and servicing of electrical and electronic components, assemblies and systems, is relocating to a larger facility in Milton. To keep up with demand we are currently seeking highly motivated individuals to fill positions for:
ASSEMBLY AND WIRING
 The successful candidates will work from drawings and instructions to wire and assemble switchboards, build steel cabinets, install instrumentation and control wiring. The applicants must have prior work-related experience and be knowledgeable in the areas of electromechanical assembly, wiring and schematics.
MECHANICAL ASSEMBLY
 The successful candidates will work from drawings and instructions to assemble components and modules for switchboards, determine cell layout, build steel cabinets and install components. The applicants must have prior work-related experience and be knowledgeable in the areas of assembly.
MACHINE OPERATORS
 The successful candidates will set-up and operate fabrication equipment including: pierce all, brake press, turret punch and NC shear. Previous brake press and fabrication experience and the ability to read schematics are definite assets.
 If you believe that you possess the appropriate skills and wish to be part of a winning team, please forward your resume to:
Human Resources, Cutler-Hammer,
2160 South Service Road West, Oakville, Ontario, L6L 5N1
Fax (905)827-4624 • E-mail odorij@ch.etcn.com
No phone calls please. Only those selected for an interview will be contacted. Previous applicants need not apply.
