Tune in to Rotary Club auction

Warm up those TV sets, Milton. The auction is coming to town.

For the first time, the Milton Rotary Club will hold a live TV Auction with the help of COGECO-14.

It will take place Tuesday from 6 to 10:30 p.m.

Prior to auction night, donated items will be displayed via digital photography on the Rotary Club's website, www.miltonrotaryclub.com. A short description will accompany each item.

"Hundreds of items have been donated, everything from bikes and paintings and carpet," said Milton Rotary director John Pears. The largest ticket item is likely a water softener, which would retail up to about \$1,700.

Viewers can bid on favourite items by calling COGECO, which will host the auction.

"So watch COGECO, live," encouraged Mr. Pears. "Call in and

make a bid."

The Milton club opted to tackle TV auctions after noting their success elsewhere, said Mr. Pears, who hopes to raise about \$10,000 Tuesday.

Hard of hearing fair

Easy communication can be dealt a harsh blow by hearing loss. But help is available in the form of the Halton Healthcare Services (HHS)-sponsored Communication Accessibility Fair.

It will take place Tuesday from 9:30 a.m. to 3:30 p.m. in the classroom at Milton District Hospital.

Guest speaker Bena Shuster will share her story of waking up one day unable to hear. She'll speak through an ASL interpreter at 12:15 p.m., then again at 1:15 p.m.

Fair participants can also learn what it's like to be hard of hearing, master effective communication tips from the Canadian Hearing Society and discover technical devices available at HHS aimed at improving communication. Hearing aid care and maintenance will also be featured.

All are welcome. For more information, call 338-4433.
