ONTARIO PROFESSIONAL FIRE FIGHTERS ASSOCIATION

INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS

Dear Supporter,

It is now October and our Fire Safety Handbooks have finally arrived. We were hoping to have them in the spring, however we have experienced many delays by the publisher.

The good news is that the booklets look great, and are filled with fantastic fire safety tips. They will undoubtedly go a long way in keeping the community we live, and work in fire safe!

I would like to take this opportunity to express our sincerest gratitude for your support in our first endeavor of this kind. Without your support this book would not have been produced. If you would like a copy for your office or to see your advertisement please call my office at 878-9251 Ext. 203, and we will personally deliver a copy to you.

Some booklets have been already distributed during our Fire Prevention Week Open House on October 16, 2000 and were well received. The remainder of the booklets will be distributed to various offices, library's for public viewing and to certain appropriate grade levels in our public school system.

Again I would like to personally thank you on behalf of all members of the Milton Professional Firefighters Association for your valued support. If we touch just one person in this endeavor, and they escape the devastating effects of fire at some time in their lifetime we have all won.

Yours in Fire Safety,

Mark Cross
