✓Bingo Country Christmas

Bingo Country employees have plenty to smile about while displaying a mountain of toys collected from patrons and staff for the Salvation Army this season.

Firefighters issue holiday warning

The Milton Fire Department urges all residents to take extra precautions to prevent a potential tragedy this holiday season.

According to Milton Fire Department spokesman Mark Cross, 18 people died in Ontario during the month of December last

year — twice the monthly average.

"You may be surprised to know that the big culprits are not Christmas trees or faulty wiring," Mr. Cross said in a press release.

"The majority of deaths that occur this time of year are caused by careless smoking or cooking."

He urged residents to install smoke alarms on every level of their homes and outside of sleeping areas, check alarms to ensure they're working, be extra careful with cooking and smoking, and develop a home escape plan and practice it with the entire family.
