

It's all down hill from here

Angela Clair and son Ryan, 2, (above left) scoot down a hill behind St. Peter's School while Cameron Vader, 12, (above right) takes a tumble on his magic carpet sled. Friends (at far left, from left to right) Lisa Petrie, Natalie Laughton and Jodie Mandarino, all 12, share a snow-filled toboggan ride while Clinton McPhail, 8, (left) seems laid back about his trip down the hill.
